Questions/ Answers:

The specifications have Addendum 1 stamped on each page, is there any addendum? The web site did not list any.

No, those addendums do not apply to this bid.

There are (2) Two alternates shown on the drawings and listed on the bid sheet, James thought in the pre-bid it was stated that there would only be duct work on this project - nothing with the steam, condensate or electric heaters. Will there be any alternates for the bid next week?

None of the Alternates apply to this bid. The work for this project is on the 4th level and is for duct work only.

All addenda should be acknowledge on the SE-331
