

University of South Carolina
Project Name: Horizon I Ground & 4th Upfit
Project Number: H27-6081
Project Manager: Pete Fisher

Addendum Number 3

Date: April 26, 2019

From: Raquel Deschler, Project Manager

To All Bidders:

The following items add to, modify, clarify, or otherwise alter the Drawings and/or specifications and will be a part of the Contract Documents. Where a portion of the Drawings and/or specifications is added to, modified, or otherwise altered, the portion not so affected shall remain. Bidder shall include all effects that these items may have on this proposal. Acknowledge receipt of this addendum in the space provided in the Bid Form. Failure to do so may subject Bidder to disqualification.

General:

List of approved manufactures will remain as the manufactures' listed in the specifications only.

Question and Answer:

Q: I need to know if the alleyway between the Horizon building and parking garage can support the wait of a 90 ton crane or do we need to price setting up on Main Street?

A: USC has had a crane in the alleyway before, although they are unsure of the weight or size they believe the alley should be adequate.
