**USC-Aiken Campus  
Re-Bid Pacer Downs Apartments Fire Alarm Replacement  
State Project Number FP0000284**

**ELECTRICAL ITEMS - ADDENDUM NO. 1  
February 24, 2020**

This addendum modifies the Contract Documents only in the manner and to the extent stated herein and shown on any accompanying drawings and will become a part of the Contract Documents. Except as specified or otherwise indicated by this addendum, all work shall be in accordance with the basic requirements of the Contract Documents.

**GENERAL:**

1. **ADDITIONAL MANUFACTURERS:** In addition to those manufacturers specified, Siemens and Simplex has been separately reviewed and approved by the Owner and are acceptable manufacturers for bidding.

**DRAWINGS:**

1. Electrical sheet E505: Clarification: Connect copper or fiber fire alarm cabling in a Type A configuration from the main control panel to downstream buildings, then back to the main control panel. The design intent is for linking the campus buildings together in a network such that failure of any building fire alarm will not disable the entire system for the remaining buildings.

**All items deemed acceptable for bidding on this project are subject to compliance with the requirements of the Contract Documents.**
