

**Upstate Administration Building repairs & Renovations – Chimney Cap Installation CP00300353**

**Addendum No. 1**

**September 11, 2014**

The following items shall be incorporated into the bid documents:

1. The attached Pre-Bid Meeting list of attendees shall become a part of the contact documents.
2. Refer to attached Pipe Penetration Detail Slate-8 to repair existing pipe penetration on east end of building. Refer to attached aerial photo of roof showing location of pipe penetration.
3. Do not block vehicular traffic on roadway. Do not block or hinder pedestrian traffic at main entrance and building egress during construction. Provide safe access from building with caution fence as needed to protect pedestrians and vehicular traffic.

End of Addendum No. 1
