AMENDMENT #1 - Questions and Responses

**Solicitation USC-IFB-1767-MLS
Secondary Athletic Insurance**

1. **Question:** Could you please provide an itemized accounting of claims listed “by claimant” and premium history for 2006-2007 until the present year. I have attached a copy from the current vendor of the accounting of claims that I am seeking. An itemized accounting is necessary for proper underwriting to know what kind of discounts the current vendor is achieving and because the current vendor is known to report “claims and administration fee” instead of reporting ACTUAL claims.

Response: Please see attached Claims Summary

Premiums for: 05-06 - \$44225.00

06-07 - \$48648.00

07-08 - \$51080.00

08-09 - \$67850.00

09-10 - \$67850.00

2. **Question:** The losses for 2005-2006, 2006-2007, and 2007-2008 are as of May 30th, 2009. Could you please provide updated losses for the stated years?

Response: Please see response to Question #1.

3. **Question:** For the years 2008-2009, and 2009-2010 there are no stated losses or premiums. Could you please provide both the losses and premiums for each of these years?

Response: Please see response to Questions #1.

4. **Question:** In order to submit your case to our underwriters, we will need the following additional information if possible:
 - Detailed loss/claims reports – from 06-07 thru current year
 - Past 4 years premiums that USCA has paid for this secondary insurance coverage. And current proposed renewal if possible.

Response: Please see response to Question #1
