THE FOLLOWING QUESTION WAS RECEIVED FROM VENDOR A:

QUESTION: The solicitation requests a Customer List, or a list of current clients. Because of our commitment to client confidentiality, it is our policy not to provide customer lists. However, we do have a list comprised of clients who have agreed to have their relationship with ***** divulged to outside entities. These are all clients for our computer security incident notification services. Will this be sufficient for USC?

ANSWER: The University appreciates *****'s confidentiality. They can provide a client list comprised of clients who have agreed to have their confidentiality divulged. The clients will need to meet the client requirement RU/VH designation.
