

UNIVERSITY OF
SOUTH CAROLINA

AMENDMENT TO SOLICITATION

Amendment No. 1

DATE: August 12, 2015

TO: ALL VENDORS

FROM: Mac Stiles, Procurement Manager

SOLICITATION NUMBER: USC-IFB-2860-MS

DESCRIPTION: Furnish & Deliver Dry Ice

This **Amendment No. 1** modifies the **Invitation For Bids** only in the manner and to the extent as stated herein.

ITEM ONE – Questions

Question 1:

It is noted that typically deliveries have been three days per week. Is the assumption that each department will get a delivery each day or is there a different requirement for each daily delivery? As a minimum requirement is not allowed it will be important to understand how many deliveries and quantity is typically needed each day in order to price competitively and accurately.

Answer 1:

Each department operates its own individual research center. The dry ice orders will be coordinated with each department indicated on each individual purchase order for the quantity of dry ice that is needed for a particular time. In some cases multiple department orders can be delivered on the same day. There is no set delivery schedule for all University departments. Each department may have its own set schedule or preferred delivery day(s).

Question 2:

Is more detailed information on the location/building of the estimated usage departments available? When utilizing the webpage provided matches were not found for the following departments.

- Pathology/Microbiology/Immunology
- Pharmacology
- Cell & Developmental Biology

Answer 2:

More detailed information for University departments, including locations, can be found using the search feature at the top of the page at www.sc.edu. Web pages for the departments included in the Scope of Work are listed below:

Chemistry & Biochemistry

http://sc.edu/study/colleges_schools/chemistry_and_biochemistry/about/

Biological Sciences

<http://www.biol.sc.edu/about>

Pathology, Microbiology, & Immunology
