**THE FOLLOWING QUESTION REGARDING THE COMPOSTING OF FOOD, YARD,
AND ORGANIC WASTE RFP WAS RECEIVED FROM VENDOR A:**

QUESTION 1: Could you give me the quantity of compostable waste stream and any pick up or delivery plan for the waste?

ANSWER: The current food waste pick up is daily. If an offeror wants to propose a different schedule, there must be a container provided by the offeror at no additional cost to the University that is pest and odor proof.
