**THE UNIVERSITY HAS CHANGED ITS ANSWER TO THE FOLLOWING QUESTION:**

**QUESTION:** Would USC consider more than 3-4 years' experience with Exchange 2007 in a multi Exchange server environment supporting over 65,000 users, combined with experience with Exchange 2010 supporting smaller environments, as suitable substitute for the required experience ("Offeror has 2-3 months experience with Exchange 2010 in a multi Exchange server environment, supporting over 7,000 users.")?

**THE UNIVERSITY'S REVISED ANSWER TO THE QUESTION ABOVE IS NO.**
