The logo request form must be completed in order to gain access to the password protected site.

While information about the symbols is public information, access to the actual art files for reproduction is available only through a password protected site. Access to that site requires the requestor to complete an online questionnaire that is evaluated for end-use of the requested art. If approved, the requestor is sent an e-mail with a link to the site and access password. In some cases the requestor may be required to provide additional information in order to process the request.

The font information is left to the discretion of the offeror.
