**THE FOLLOWING CLAUSE HAS BEEN ADDED TO SECTION II.  
INSTRUCTIONS TO OFFERORS – SPECIAL INSTRUCTIONS OF THE  
SOLICITATION:**

**Walk-throughs of the Property**

For any vendors interested in doing a walk-through of the property (Baruch Institute) pursuant to the solicitation, the address is 2306 Crab Hall Rd, Georgetown, SC 29440. We request that you contact William Strosnider, the Director of the Baruch Institute, at (843) 546-3623 when you arrive onsite to walk through the property. Please be aware that the University is closed on November 27, 2019 and November 28, 2019 in observance of Thanksgiving Day and the Day after Thanksgiving.

**The purpose of allowing interested vendors to do a walk-through of the property pursuant to the solicitation is to give an opportunity to view various parts of the USC Baruch Institute and to take pictures and/or measurements if you desire.**

**Hopefully, this will prove helpful to you in preparation of your bid, estimating properly the difficulty and cost of successfully performing the work, and (if awarded contract from the solicitation) successfully performing the work without any additional expense to the University.**

**While there are member(s) of the Baruch Institute staff available to assist you with walk-throughs of the property who will share information with you during the walk-throughs, and try his/her best to answer your questions, realize that nothing said during the walk-throughs by any member(s) of the Baruch Institute staff is legally binding. If you have question(s) that you want a binding answer to, you must submit your question(s) in writing to me by the deadline of 11:00 AM EST on Friday, November 21, 2019, preferably via email, in order for the University to give a response to the question(s) in an upcoming amendment to the solicitation.**

**The University assumes no responsibility for any conclusions drawn or interpretations made by interested vendors based on the information made available during the walk-throughs of the property. The University assumes no responsibility for any understanding reached or representation made concerning conditions which can affect the contractual work by any of its officers or agents or staff members before the execution of the contract, unless that understanding or representation is expressly stated in the contract.**
