1. Do we understand correctly, that at this point You are interested in Estravel's service fee/flight ticket reservation fee (the form on page 1)? Seepage 6, Scope of Work/Specifications

2. As it stands in several points of the document, the contractor must be a resident of South Carolina and must be licensed to do business there. I'm afraid that we do not qualify under these conditions. There are no requirements of a vendor to have an office in South Carolina, USA. There are some preference considerations given to vendors meeting residency requirements, and there is some data collected for demographic evaluation. None of this is exclusive or restrictive of vendors beyond the borders of South Carolina.

3. Would it be acceptable for you to cooperate with Estravel as follows:
 - You send a query to travel konsultant in Estravel (assigned personal travel consultant)
 - Travel consultant offers You tickets with additional service fee
 - You confirm, that the price is acceptable
 - Travel konsultant sends You an invoice and issues tickets after the invoice is paid.
