ADDENDUM NO. 2

The following items shall take precedence over the drawings and specifications for the above named project and shall become a part of the contract documents. Where any item called for in the specifications, or indicated on the drawings, is not supplemented hereby, the original requirements shall remain in effect. Where any original item is amended, voided, or superseded hereby, the provisions of such item not specifically amended, voided or superseded shall remain in effect.

General

1. See attached pdf "F&ME Photo Log – Abatement" for photographs at existing spaces for abatement contractor's reference and use. Referenced space numbers are renamed in current project floor plans as follows: former V103 is current H119A; former 304B is current 308B; former 304C is current 308G.

Project Manual

<u>Item No.</u>	<u>Description</u>
-----------------	--------------------

- | | |
|----|--|
| 1. | <u>Revision:</u> Reference Section 033000, Cast-In-Place Concrete. At paragraph 2.4.D, add the following as an approved product: "Insulation Solutions: Viper VaporCheck II, 15 mils." |
|----|--|

Re: **Men's Basketball Office and Team Spaces Renovation – Addendum #2**
BEA Project No. GA 21502

Dear Terry:

On Sheet ED1.1 please add keynote 14 - "Remove all existing electrical equipment, connections, conductors and raceways associated with motorized bleachers. Coordinate with owner's representative and architect."

If you have any questions, please give us a call or email.

Sincerely,

Zack
