The following items take precedence over referenced portions of the Contract Documents for the referenced project dated March 4th 2016, and, in executing a contract, shall become a part thereof.

Where any item called for in the documents is supplemented hereby, the original requirements shall remain in effect. All supplemental conditions shall be considered as added thereto.

Where any original item is amended, voided, or superseded hereby, the provision of such items not so specifically amended, voided, or superseded shall remain in effect.

General:

1. A non-mandatory Pre-Bid was held on 04/27/2016 at 10:00 am EST. Attached is a list of the attendees. A site visit was made available immediately following the pre-bid meeting.
2. All questions shall be submitted in writing to Mechanical Design prior to May 4th by 2PM.
3. If necessary a final addendum will be issued on May 6th by 2PM.

Questions:

1. Will USC self-perform the Electrical work?
A: No, The bidding contractor is responsible for all electrical scope of work.
2. Can existing conduit be re-used?
A: Yes, existing conduit that is in good shape, routed correctly, and sized properly for the branch circuits may be reused. Conduit required for new services or relocation of existing services shall be included under the scope of work. Existing conduit deemed unacceptable to the engineer or USC personnel shall be replaced.
