Question 1

The model these specifications seem like a Rotary MCH418W. There are 2 other safety features on this lift that come standard not mentioned in the specifications. Other manufactures offer these safety features as options.

1. Retractable front wheels- solely on the wheels This displaces the weight through out the base of the lift and not
2. Back up wired option- for a secondary back up This allows the lift to operate in either function wireless and wired

Answer 1

It's not mandatory for those updates
