ADDITIONAL QUESTION RECEIVED

Question #1: Have the job specs changed since the last vendor? I am wondering if the last price included the requested 600yards of mulch to be bought and installed.

Answer: There has been one change in the specifications. The previous contract required the contractor to purchase and install 500 yards of mulch instead of 600 yards. The increase is needed to provide mulch for the area surrounding the Founders Hall building, which was constructed after the previous (current) contract was awarded.
