THE FOLLOWING QUESTION WAS RECEIVED FROM VENDOR A:

QUESTION 1: 075: what are "other sources?"

ANSWER: This requirement refers to pulling data from other internal departments/sources such as USCERA, Study Abroad and International Student Services. USC would like this to be an automatic feed into the system, but if that is not possible, we at the very minimum need to be able to import csv files from other databases and/or spreadsheets manually periodically, once a week or once a month, or once a year depending on the data involved. (student mobility for example).
