

AMENDMENT TO SOLICITATION

Amendment No. 1

DATE: June 18, 2018
TO: ALL VENDORS
FROM: Leann DeLoach, Procurement Specialist
SOLICITATION: USC-RFP-3311-LD
DESCRIPTION: Provide Services To Coordinate The Production, Marketing, Sales, Mail Delivery, And Sales Reporting For Student Fundraising Programs

Amendment No. 1 modifies this Request for Proposals only in the manner and to the extent as stated herein.

Question & Answers

1. Whether companies from Outside USA can apply for this?
Such companies would need to demonstrate a proven track record of providing merchandise and service of this nature to USC companies, but they are not excluded from submitting a proposal.
2. Whether a company needs to come over there for meetings?
Telephone, Skype, Webinars, etc. are suitable for meetings.
3. Can a company perform the tasks (related to RFP) outside USA? (like from India or Canada)
Merchandise and services do not have to originate from the USA, however, deadlines must be met for delivery of items or it will imperil the contract. As long as the company can deliver the goods and services to the students, the origination point would not be an obstacle.
Note: IT CAN NEVER BE USED AS AN EXCUSE for tardiness or poor service.

Bidder shall acknowledge receipt of Amendment No. 1 in the space provided below and return it with their bid response. Failure to do so may delay award of contract.
