QUESTIONS AND ANSWERS RECEIVED FROM BIDDERS:

**Question #1:** When will the pre-submittal meeting attendees list be posted?

**Answer:** Attached

**Question #2:** Are there existing drawings we can review?

**Answer:** See attachment.

**Question #3:** Is there additional hazardous materials information that hasn't been issued?

**Answer:** No. There are locations in Jones where we will encounter asbestos and possibly other hazardous materials during the course of this project. There have been previous abatement projects, but we know there is asbestos still remaining both on steel and in wall cavities, and possibly other areas. As stated in the solicitation, the Hazardous Material Consultant will do a hazardous material survey.
