Modified price list

### **III. Scope of Work/Specifications**

Added to the "uniform set," "1 each of accessories (or pair of accessories, as appropriate for completion of the uniform), including but not limited to cape, drop, gauntlets, shako wrap, etc. of design agreed upon by the contractor and university representative"

In Part III, Item 3, is replaced as follows:

3. To be considered, each bidder must submit a finished, complete sample uniform (jacket design A and jacket design B with white bibbers, shako, plume, and accessories (shako wrap, cape, drop, gauntlets, etc.) consistent with the provided sketches to the university **in a separate box and must accompany bidders response**. An exact sample **from each bidder** is required to ensure that the University can expedite this purchase soon after the award. The sample coat provided is to be a male size 38 regular with comparable size trousers. The **University** reserves the right to inspect the workmanship of the sample. The inspection will include but will not be limited to thoroughly wetting the garment with water, grass stains, dirt stains, condiment stains, exposing the garment to at least five dry cleaning cycles (or the laundering technique recommended for the garment), and opening the garment to expose and thoroughly investigate the inner construction. The sample uniform is required to meet color and style specifications and it must conform to the details of workmanship and component parts. Any differences must be listed and explained on the Deviations Form enclosed for your convenience. All major items and separate

items being proposed must have a sample present for comparison. It is to be completely understood that it is the intent of the **University** to have all items examined carefully and compared by persons conversant with the quality of materials, tailoring and workmanship. All bidders must submit liberal sized swatches of basic fabrics, reflecting the weight, shade, and indicating the mill supplying the materials which would be used.

---

BIDDER SHALL ACKNOWLEDGE RECEIPT OF AMENDMENT **NO. 2** IN THE SPACE PROVIDED BELOW AND RETURN IT WITH THEIR BID RESPONSE. FAILURE TO DO SO MAY SUBJECT BID TO REJECTION.
