Questions and Answers

1. MAINTENANCE

Lessee shall use the equipment in a careful and proper manner in compliance with its intended use. Lessor shall at its expense maintain each item of equipment in good mechanical condition and working order. Lessee shall not be responsible for normal wear and tear resulting from the use thereof.

OR Maintenance shall be as stated on the attached Exhibit C.

Is there an Exhibit C regarding the maintenance? Will the lessor be responsible for the maintenance on the new proposal, or does this not apply here? **There is no exhibit C. The Lessee will be responsible for maintenance of the equipment.**

2. Regarding section VIII. Bidding Schedule / Price-Business Proposal. My understanding is the "unit price" is the monthly lease payment for that item and the extended price is the simply the unit price multiplied by the quantity. Can you please confirm? **Yes. The unit price is for one single item and the extended price is for the single item multiplied by the quantity.**
