Note: USC indicia will be pre-printed on 55,000 envelopes, but mail house may need to meter some envelopes without pre-printed indicia if final list of names exceeds total quantity estimate. If envelopes without pre-printed indicia are needed to complete this job, then mail house must arrange to pick the supply up from USC Warehouse in coordination with USC Admissions.

Proofs must show letter format and placement exactly as it will appear on letterhead once printed.

- 9) Address and seal envelopes.
- 10) Deliver prepared mail pieces to US Post Office **no later than Friday, July 12**. If materials for Mail House are available sooner than estimated and/or it suits Mail House's schedule to drop partials before July 12, check with admissions to see if it is okay to do so and how to prioritize.
- 11) Deliver unused materials back to Admission's USC Warehouse. Please contact USC Admissions at least 24 hours in advance to schedule a day/time for delivery. All unused materials must be returned within five business days of completion of the job in its entirety.

- 13) Mail House must be located within a reasonable driving distance from Columbia, SC (approximate distance of 200 miles or less, one-way) in order for USC employees to have the option to visit Mail House in person to ensure job progression
- 14) Mail House must mail materials from within the state of South Carolina using the University's non-profit indicia, because the University of South Carolina's location must be reinforced for prospective students who are not familiar with the institution.
- 15) Supplied data remains the property of the University of South Carolina and Mail House agrees to keep mailing list confidential and use solely for the purposes of completing this mailing. Mail House will securely delete all electronic instances of the databases procured for this mailing once the job is complete and sent to US Post Office for mailing. USC Admissions must be notified when the data files have been securely deleted.
