Payment will be made in accordance with Section 11-35-45 of the South Carolina Consolidated Procurement Code and Disbursement Regulations. Delay in receiving invoices, as well as errors and omissions on the invoices, will be considered just cause for withholding payment without losing discount privileges. The University reserves the right to withhold payment or make such deductions as may be necessary to protect the University from loss or damage because of defective work, claims, damages, or to pay for repair or correction of materials furnished hereunder.

Unit prices will govern over extended prices unless otherwise stated. Quoted prices must remain firm for a period of no less than thirty (30) days beyond the RFQ deadline.

Award will be made in accordance with Section 11-35-1550 of the South Carolina Consolidated Procurement Code. Award will be made to one offeror for the complete job.

All materials and products offered must be guaranteed to meet and comply with the requirements of all specifications, terms, and conditions indicated in this solicitation.

The University reserves the right to: (1) reject any and all quotations and to cancel the solicitation; (2) waive any and all technicalities; (3) reject any quotation in which the delivery time indicated is of substantial length to cause disruption and/or delay in operation for which the item(s) is/are intended; (4) reject ambiguous quotations which are uncertain as to terms, delivery, quantity, or compliance with specifications.

The successful bidder (contractor) assumes sole responsibility and shall hold harmless the University of South Carolina, its directors, officers, employees, and agents from and against any and all claims, actions, or liabilities of any nature which may be asserted against them by third parties in connection with the performance of the successful bidder, its directors, officers, employees, and agents under this agreement. The University of South Carolina agrees to accept responsibility for claims, actions, or liabilities resulting from negligent acts of its employees occurring within the scope of their employment which may be asserted against them by third parties in connection with the performance of the University of South Carolina, its members, directors, officers, employees, and agents under this agreement.

Contractor agrees not to refer to award of this contract in commercial advertising in such a manner to state or imply that the products or service provided are endorsed or preferred by the user.

Upon award of a contract under this solicitation, the person, partnership, association, or corporation to whom the award is made must comply with the laws of South Carolina that require such person or entity to be authorized and/or licensed to do business in this State. Notwithstanding the fact that applicable statutes may be exempt or exclude the successful offeror from requirements that it be authorized and/or licensed to do business in this State, by submission of this signed quote, the quoter agrees to subject itself to the jurisdiction and process of the courts of the State of South Carolina as to all matters and disputes arising or to arise under the contract and the performance thereof, including any questions as to the liability for taxes, licenses, or fees levied by the State.

The University of South Carolina requires all contractual activities to be performed in a manner that is consistent with all applicable federal, state and local laws, regulations, rules, rulings, and ordinances.

Award Criteria: The award shall be made to the lowest responsible and responsive bidder(s) whose RFQ meets the requirements and criteria set forth in the Request for Quotation.

Bidders Qualification: Bidders must, upon request of the University, furnish satisfactory evidence of their ability to furnish products or services in accordance with the terms and conditions of these specifications. The Purchasing Department reserves the right to make the final determination as to the bidder's ability to provide the products or services requested herein.

Bidder's Responsibility: Each bidder shall fully acquaint himself with conditions relating to the scope and restrictions attending the execution of the work under the conditions of this RFQ. It is expected that this will sometimes require on-site observation. The failure or omission of a bidder to acquaint him with existing conditions shall in no way relieve him of any obligation with respect to this RFQ or to the contract.

Rejection/Cancellation: The University of South Carolina reserves the right to reject any and all RFQs and to cancel the RFQ.

PREFERENCES - A NOTICE TO VENDORS (SEP 2009)

On June 16, 2009, the South Carolina General Assembly rewrote the law governing preferences available to in-state vendors, vendors using in-state subcontractors, and vendors selling in-state or US end products. This law appears in Section 11-35-1524 of the South Carolina Code of Laws. A summary of the new preferences is available at www.procurement.sc.gov/preferences. All the preferences must be claimed and are applied by line item, regardless of whether award is made by item or lot. Vendors are cautioned to carefully review the statute before claiming any preferences. The requirements to qualify have changed. If you request a preference, you are certifying that your offer qualifies for the preference you've claimed. Improperly requesting a preference can have serious consequences.
