

CAROLINA
AUTISM & NEURODEVELOPMENT
CENTER

First Thursday SCIENCE MEETING

Now offering a **hybrid** option! Meet with us virtually on **Zoom**.

Thursday, 12/1
3:30pm

IMB Room 125
1800 Gervais St.

Dr. Pabi Sahoo

Pabi Sahoo will discuss his work on neuronal mRNA storage mechanisms, and in light of recent findings, he will talk about how impairment in neuronal mRNA storage depots is potentially linked to neurodevelopmental disorders.

Join us after for
Happy Hour
~4:30pm at the
Graduate Hotel!

Dr. Jessica Klusek

Jessica Klusek will discuss semantic interference problems, a dementia marker, in women fragile X carriers.
