SPECIAL ACKNOWLEDGEMENTS

The organizers of the First Annual LLC Graduate Student Conference wish to thank all of the people and institutions who have been instrumental in this event, without whom it would not have been possible.

First and foremost, we want to thank Dr. Vazsonyi and Dr. Lomicka for their unconditional support and encouragement. We are also grateful to all of the professors, instructors, and faculty in the Department of Languages, Literatures, and Cultures for their help and support, in particular to:

Dr. Mabrey, our Faculty Advisor, who has played an essential role from the beginning of our LLC Graduate Student Association and has caringly supported many students in their professional careers.

Dr. López, who met with us on several occasions to guide us through the ins and outs of organizing this conference.

Dr. Camacho, an early supporter and promoter of this endeavor, for his suggestions, ideas, and words of encouragement that guided us from the very early stages of organizing the conference.

Terri Lucas, LLC Business Manager, and Catherine Moring, Assistant to the Chair, for their business and managerial support.

And last, but certainly not least, we would like to thank every graduate student in our department. They have all taken time out of their busy schedules to make this event possible.
