We all have a different story
I am the College of Arts and Sciences celebrates diversity by sharing those stories.

I am the College of Arts and Sciences
We are a collaborative community of individuals from all walks of life. We asked two dozen students and faculty members to share the stories that make them unique and why they value diversity. This video series shares their stories.

For more information, visit: go.sc.edu/IamCAS
The College of Arts and Sciences introduces Theme Semester in Fall 2020, focused on Justice. Special courses, events, speakers, exhibits, films, and other activities will spark conversation across disciplines about this complex, timely issue.

go.sc.edu/themesemester
Gamecocks are exploring justice this fall during theme semester, with more than a dozen events designed to spark discussion about justice as it relates to art, history, politics, math and more.
