Student Excellent Collaborative Staff.....	30

Dear Student,

Welcome Gamecocks! We are thrilled that you are coming to the College of Arts and Sciences at the University of South Carolina. Arts and Sciences blends the strength of received wisdom with the energy of innovation to transform the lives of our students and address the growing challenges of the twenty-first century. With one of those challenges, the global pandemic caused by the Covid-19 virus, still a reality, let me assure you that UofSC is implementing exceptional measures, including testing, requiring social distancing, reducing classroom capacity, and providing appropriate PPE in labs to protect your health and safety. Yet we are still offering robust schedules of both face-to-face classes in traditional classrooms and full and partially on-line instruction.

The education you receive in the College will go well beyond the sharing and acquiring of knowledge. It will include learning valuable personal and academic skills including critical thinking, data-driven analysis, creative problem solving, effective and persuasive communication and successful collaboration. You will find that our faculty members, experts in their respective fields, have joined us because they take pleasure in teaching and developing well-informed, well-prepared citizens who can use their knowledge and abilities to create a better world. They care about your success, and they will help you make the most of your academic potential. Our College offers majors in the humanities, social sciences, fine arts, mathematical, biological and physical sciences. All of the University's undergraduates begin by acquiring an essential foundation in the liberal arts. We hope that you spend your first year exploring the diverse and challenging curriculum we offer in order to find the right path for you.

We want to help students go beyond their classroom experiences and connect their knowledge to real world experiences in their chosen fields. The College of Arts and Sciences strongly endorses **USC Connect**, a University-wide initiative that supports students in making the most of their education by integrating course work with first-hand learning experiences outside of class. Additionally, you will also find a wide variety of internships, service learning opportunities, summer field camps, study abroad programs, and research opportunities to enrich your undergraduate experience. We believe that everyone has the potential to be a leader. We urge you to consider the option of Graduation with Leadership Distinction, a program that empowers you to seek your full potential as a leader during your undergraduate years

As dean, I am proud to welcome you to your College of Arts and Sciences. We plan to surround you with opportunities that nurture and encourage our core values: imagination, innovation, inspiration and inclusion. I look forward to meeting you this fall. In the meantime, please do not hesitate to contact us if you have questions. You may call the Undergraduate Student Services office at 803-777-2993 or visit our website at www.cas.sc.edu.

Sincerely,

Lacy K. Ford
Dean, College of Arts & Sciences

College of Arts and Sciences Scholarships

The College of Arts and Sciences awards 23 College level scholarships annually. All scholarship information and application portal can be found here:

https://www.sc.edu/study/colleges_schools/artsandsciences/internal/undergrad_students/scholarships/index.php

Incoming Freshman Scholarships

There are two scholarships available for incoming freshmen only:

The Clyde Shirley U.S. Constitution Scholarship

This is a \$1000 per academic year scholarship awarded to an incoming freshman who has written the best original essay on a topic dealing with the US Constitution. This scholarship will be renewed annually for up to four years if the awardee maintains a GPA of 3.0 or above and remains a student in the College of Arts and Sciences.

The Donald J. Greiner Scholarship

This is a \$500 per academic year scholarship awarded to an out-of-state incoming freshman who is selected based on a personal statement outlining your goals as an incoming freshman, your greatest accomplishment and your greatest obstacle. This scholarship will be renewed annually for up to four years if the awardee maintains a GPA of 3.0 or above and remains a student in the College of Arts and Sciences.

The deadline to apply for freshman scholarships is **August 1, 2020**.

Upperclassmen Scholarships

There are 21 scholarships available for rising sophomores, juniors, and seniors in the College of Arts and Sciences. All of them require a minimum of 3.0 GPA based on the University's scholarship guidelines and many have additional criteria.

Departmental Scholarships

In addition to College level scholarships, there are many Departmental level scholarships that students may be eligible for depending on their major. A full list of Departmental Scholarships can be found here:

https://sc.edu/about/offices_and_divisions/financial_aid/scholarships/departmental_scholarships/index.php

ACADEMIC ADVISING

For students in the College of Arts and Sciences

A. ADMISSION AND PROGRESSION

A student who is in good standing, who has been admitted to a baccalaureate program on the Columbia campus, and who has a cumulative GPA of 2.000 or higher may be eligible for admission to degree programs offered by the College of Arts and Sciences. A student who wishes to enter the College of Arts and Sciences from another UofSC campus must a) be in good standing, have met the admission requirements for a baccalaureate program on the Columbia campus, and have a cumulative GPA of 2.000 or higher, or b) be in good standing and have completed 30 semester hours with at least a 2.000 GPA on a UofSC campus. **All degree programs in the College of Arts and Sciences require a minimum of 120 credit hours (may be higher for some majors) to graduate with a Bachelor's degree.**

B. RULE OF ACADEMIC RESPONSIBILITY

It is the responsibility of every student at the University of South Carolina at Columbia to adhere steadfastly to truthfulness and to avoid dishonesty, fraud, or deceit of any type in connection with any academic program. Any student who violates this rule or who knowingly assists another to violate this rule shall be subject to discipline.

C. PHILOSOPHY AND GOALS

The College of Arts and Sciences considers advising to be an essential part of each student's college experience. The primary purpose of academic advising is to help students to develop suitable educational plans for the successful completion of their degree program, which is compatible with their career and life goals.

D. EXPECTATIONS PLACED ON STUDENTS AND ADVISORS

The ultimate responsibility for making decisions about career goals and educational plans rests with the student. It is the responsibility of each student to understand and complete all requirements for their degree. The student, in consultation with the advisor, will construct a program of study that meets all departmental, collegiate, and University requirements for graduation.

The advisor's written approval of the student's program each semester is a requirement for registration. In cases of disagreement between the advisor and the student, the student has the recourse of appealing to Dr. Loren Knapp, the Associate Dean for Enrollment Management, Advising, and Retention.

The formal advising period is only one part of the total advising process. The student should consult the advisor outside of this period on matters other than course requirements and scheduling, such as career decisions, plans for graduate or professional school, summer experiences, and undergraduate research opportunities.

The advisor serves as a resource for the student and will assist the student to build a program of study consistent with the student's interests and educational goals, within the framework of applicable academic regulations. The advisor should monitor the student's progress toward achievement of the desired degree and provide general support during the student's time at UofSC.

GUIDELINES FOR ADVISEMENT

E. INTRODUCTION

These Guidelines are an interpretation of the academic regulations used for advisement in the College of Arts and Sciences. They are distributed to both students and advisors in an attempt to prevent misunderstandings and to contribute to the student's orderly progress toward a degree. These Guidelines do not take the place of an advisor, but a resource to be used in the advisement process. Questions arising from the Guidelines should be brought to the advisor or to the office of the Associate Dean.

During a student's time at UofSC, we will assume that the student has read the regulations stipulated in the Undergraduate Bulletin, and interpreted in these Guidelines, and understands them. **IGNORANCE OF REGULATIONS OR EVEN MISADVISEMENT WILL NOT BE A BASIS FOR WAIVING OR SUBSTITUTING STATED REQUIREMENTS.** We urge students to read the enclosed information, and to keep these Guidelines for reference throughout their academic careers.

This document is intended to assist advisors and students in the orderly progress of the student toward the achievement of the desired degree. An outline of the administrative structure and operating procedures for the advisement system, detailed graduation requirements for each of the degree programs of the College, and a summary of those academic regulations pertinent to the advisement system are included here. This document also describes the process whereby academic regulations and graduation requirements can be waived and details the procedure to be followed by a student who wishes to appeal an administrative decision by submitting a petition to the College Scholastic Standards and Petitions Committee.

First Year Advisor

The University and the College of Arts and Sciences will provide a First Year Advisors to all first-year freshmen and transfer students. These are professional advisors who will contact you for the first time during the summer prior to the academic year you will begin at UofSC. Please engage with your First-Year Advisor regularly during the academic year, so you can access resources and get advice on both academic and non-academic questions. In addition to the First-Year Advisor, the Student Success Collaborative in Flinn Hall is always willing to answer any of your academic questions and to help with any other concerns you may have.

Major Advisor

When students enter their sophomore year they will transition from their First-Year Advisor to a Faculty Advisor. The Faculty Advisor will be a member of the Department of the student's major. The Faculty Advisor will assist students in selecting a course of study which is consistent with the student's educational and career goals, while at the same time monitoring the students' orderly progress towards satisfying graduation requirements. Advisors should accept the responsibility that accompanies their authority to approve student's academic programs, especially with regard to the lists of courses taken for major and cognate or minor credit. **A student will not be able to register for any semester until he/she has turned in an advisement form, approved by the advisor, to the department of his/her major or to the Associate Dean's Office in Flinn Hall.**

Once the student reaches 90 hours, he/she and his/her advisor will fill out a **major program card**, listing the student's major and cognate or minor courses, and direct the student to arrange for a **senior records check** in the Associate Dean's Office. No student will be given a senior records check without an approved major program card. **Completing a Senior Records Check is a requirement for graduation from the College of Arts and Sciences.**

Program Director of Undergraduate Studies

Each degree program in the College of Arts and Sciences has a Director of Undergraduate Studies. The Director of Undergraduate Studies has the responsibility for coordinating the advisement process at the degree program level and for monitoring the degree program graduation requirements.

Office of the Associate Dean

The Dean of the College has delegated to the Associate Dean the authority for coordinating the advisement process at the College level, maintaining student records, and certifying that graduation requirements are met.

A record of the student's academic progress is maintained in the Associate Dean's office to supplement the advisor's records. The Associate Dean's office will evaluate any transfer credit, perform a senior records check during the student's next to last term, and in general, attempt to provide any reasonable service a department requests that is necessary to keep the advisement process flowing smoothly and without interruption.

In the student's final semester, the office accepts and processes graduation applications. The student is cleared for graduation only through the Office of the Dean. Upon completing all academic requirements which the senior records check indicated were unfulfilled, and upon filing a degree application in the Dean's office during the student's last term (by the published deadline posted on the academic calendar), the student will receive academic clearance for graduation.

Double Majors

Students can pursue double majors within the College of Arts and Sciences. In order to earn a double major, the student must fulfill the specific requirements of both majors, but does not need to complete a cognate or minor. (The second major satisfies this requirement.) If a student wishes to pursue a second major in another college at UofSC, this is considered a Dual Degree and the student should come to the Associate Dean's Office in Flinn Hall to talk this over with an advisor.

Accelerated Undergraduate Program

The College of Arts and Sciences offers the opportunity for academically talented students with a semester or more of advanced placement college credit to graduate in three years. Please consult the Associate Dean for information relative to specific majors.

F. GRADUATION REQUIREMENTS

Students may expect to obtain degrees in accordance with the requirements set forth in the regulations in force at the time they enter the University system in matriculated status, or under subsequent regulations published while they are enrolled in that degree program.

Any change, substitution or exemption of a student from University and College requirements is within the authority of the Associate Dean, not the student's advisor.

All undergraduate students at the University must meet several "core requirements" before graduation, in addition to the requirements specified by the College as presented in the University Bulletin and these Guidelines. The requirements of all degree programs have been designed to meet these minimum University standards.

The Carolina Core (general education) requirements are designed to prevent students from adopting too narrow an academic focus early in their studies and to provide a broad base from which to select a major area of study consistent with their interests and aptitudes. In addition, these general education courses serve to develop the learning skills necessary for success in other academic courses.

G. CAROLINA CORE

I. Effective, Engaged, and Persuasive Communication (CMW) (6 hrs)

ENGL 101

ENGL 102

English 101 and 102 **must each be passed with a grade of C or higher**, and must be completed within the first sixty hours of the degree in order to count these hours toward the total needed for graduation.

II. Analytical Reasoning and Problem Solving (ARP) (6 hrs)

Please see College Requirements below for specific course selections

III. Scientific Literacy (SCI) (8 hrs)

- Geography 201, 202 used for Bachelor of Arts degrees only.
- Each science course must have a co-requisite laboratory.
- The two courses need not be taken in the same field.
- Lab credit cannot be applied unless its co-requisite lecture is also applied.
- Credit cannot not be given for both PHYS 151 and 153 or for both PHYS 151 and 155.

List of approved SCI courses:

ANTH 161: Human Origins: An Introduction to Biological Anthropology

ASTR 101: Introduction to Astronomy

***ASTR 201: Introduction to Astro II: The Dark Universe**

BIOL 101, 101L: Biological Principles I

BIOL 102, 102L: Biological Principles II

BIOL 110: General Biology

BIOL 120, 120L: Human Biology

***BIOL 206: Genetics and Society**

***BIOL 208: Our Hungry World**

BIOL 243, 243L: Human Anatomy & Physiology I

BIOL 244, 244L: Human Anatomy & Physiology II

BIOL 270, 270L: Intro to Environmental Biology

CHEM 101: Fundamental Chemistry I

CHEM 102: Fundamental Chemistry II

CHEM 105: Chemistry and Modern Society

CHEM 107: Forensic Chemistry

CHEM 111, 111L: General Chemistry I

CHEM 141: Principles of Chemistry I

ENVR 101, 101L: Introduction to the Environment

ENVR 200: Natural History of South Carolina

***GEOG 104: Intro to Physical Geography**

GEOG 201: Landform Geography. (4)

GEOG 202: Weather and Climate. (4)

GEOL 101: Introduction to the Earth

GEOL 103: Environment of the Earth

***GEOL 110: Cultural Geology**

***GEOL 205: Earth Resources**

GEOL 215, 215L/ MSCI 215, 215L: Coastal Environments of the Southeastern US

***GEOL 230: Geology of the National Parks**

MSCI 101: The Ocean Environment

MSCI 102: The Living Ocean

MSCI 210, 210L: Oceans and Society

MSCI 215, 215L/ GEOL 215, 215L: Coastal Environments of the Southeastern US

PHYS 101, 101L: The Physics of How Things Work I

PHYS 201, 201L: General Physics I

PHYS 202, 202L: General Physics II

PHYS 211, 211L: Essentials of Physics I

PHYS 212, 212L: Essentials of Physics II

***CANNOT BE USED IN ARTS AND SCIENCES FOR LAB**

IV. Global Citizenship and Multicultural Understanding: Language (GFL) (0-6 hrs)

Demonstration of proficiency in one foreign language equivalent to the minimal passing grade on the exit examination in the 122 course is required. Students can demonstrate this proficiency by successfully completing Phase II of the Proficiency Test or by successfully completing the 122 course, including the exit exam administered as part of that course.

It is strongly recommended that students continuing the study of a foreign language begin college-level study of that language in their first semester and continue in that language until their particular foreign language requirement is completed.

List of approved GFL courses:

ARAB 121: Elementary Arabic	JAPA 121: Elementary Japanese
ARAB 122: Basic Proficiency in Arabic	JAPA 122: Basic Proficiency in Japanese
CHIN 121: Elementary Mandarin Chinese	LATN 109: Beginning Latin I
CHIN 122: Basic Proficiency in Mandarin Chinese	LATN 110: Beginning Latin II
FREN 109: Beginning French I	LATN 121: Elementary Latin
FREN 110: Beginning French II	LATN 122: Basic Proficiency in Latin
FREN 121: Elementary French	PORT 121: Elementary Portuguese
FREN 122: Basic Proficiency in French	PORT 122: Basic Proficiency in Portuguese
GERM 109: Beginning German I	RUSS 121: Elementary Russian
GERM 110: Beginning German II	RUSS 122: Basic Proficiency in Russian
GERM 121: Elementary German	SPAN 109: Beginning Spanish I
GERM 122: Basic Proficiency in German	SPAN 110: Beginning Spanish I
GREK 121: Elementary Ancient Greek I	SPAN 111: Intensive Beginning Spanish
GREK 122: Elementary Ancient Greek II	SPAN 121: Elementary Spanish
ITAL 121: Elementary Italian	SPAN 122: Basic Proficiency in Spanish
ITAL 122: Basic Proficiency in Italian	SPAN 130: Accelerated Basic Proficiency in Spanish

V. Global Citizenship and Multicultural Understanding: Historical Thinking (GHS) (3 hrs)

Three hours must be chosen from the GHS approved list below:

HIST 111: United States History to 1865
HIST 112: United States History since 1865
HIST 214: The Practice of Public History
SOST 302: Introduction to Southern Studies: The Twentieth Century
Or another GHS approved course determined by the College of Arts and Sciences to fit this geographic category.

VI. Global Citizenship and Multicultural Understanding: Social Science (GSS) (3 hrs)

Three hours must be chosen from the GSS approved list below:

AFAM 201: Introduction to African American Studies: Social and Historical Foundations
AFAM 355: Race and Ethnic Relations
ANTH 101: Primates, People, and Prehistory
ANTH 102: Understanding Other Cultures
ANTH 204: Plagues and the Past
ANTH 210 / WGST 210: Human Life Cycle in Different Cultures
ANTH 211: Learning Across Cultures
ANTH 212: Food and Culture
ANTH 213: Ethnobotany: Plants and Peoples
ANTH 244: American Indian Nations Today: From Hard Times to Hard Rock
COLA 298: Interdisciplinary Special Topics in the Liberal Arts: Social Science
CRJU 101: The American Criminal Justice System
EDEX 205: Understanding the Foundations of Disability **CAS will not use**
EDUC 360X: Global & Multicultural Perspectives on Education in International Settings **CAS will not use**
GEOG 103: Introduction to Geography
GEOG 121: Lands and People of the World
GEOG 210: People, Places, and Environments
GEOG 221: Geography of South Carolina
GEOG 223/ LASP 331: Geography of Latin America
GEOG 224: Geography of North America
GEOG 225: Geography of Europe

GEOG 226: Geography of the Middle East
 GEOG 228: Geography of SubSaharan Africa
 HRTM 280: Foundations of Tourism **CAS will not use**
LASP 331 / GEOG 223: Geography of Latin America
 LING 101: Linguistics 1: Introduction to Language
 MUSC 210: Understanding the Sociology of Music
 POLI 101: Controversies in World Politics
 POLI 201: American National Government
 PSYC 101: Introduction to Psychology
 RELG 101: Exploring Religion
 RELG 338: Sociology of Religion
 SOCY 101: Introductory to Sociology
 SOCY 301: Sociology of Sex Roles
 SOCY 307: Sociology of Religion
 SOCY 309: An Introduction to Social Inequality
 SOCY 310: Social Demography
 SOCY 340: Introduction of Social Problems
 SOCY 355: Race and Ethnic Relations
 SOCY 561: Integrative Research Experience
 SOWK 222 Social Welfare Institutions, Policies, and Programs
 WGST 112: Women in Society
 WGST 113: Women's Health
 WGST 210/ANTH 210: Human Life Cycle in Different Cultures
 WGST 300: Sociology of Sex Roles

VII. Aesthetics and Interpretive Understanding (AIU) (3 hrs)

Three hours must be chosen from the AIU approved list below:

AFAM 202: Introduction to African-American Studies: Arts and Cultural Foundations
 ARTE 101: Introduction to Art
 ARTE 260 Interdisciplinary Relationships in the Arts
 ARTH 105: History of Western Art
 ARTH 106: History of Western Art
 ARTS 103: Fundamentals of Art
 ARTS 104: 3Dimensional Design I
 ARTS 210: Intro to Paining
 CLAS 220: Introduction to Classical Mythology
 CPLT 150: Values and Ethics in Literature
 CPLT 270 / ENGL 270: World Literature
 DANC 101: Dance Appreciation
 ENGL 200: Creative Writing Voice, and Community
 ENGL 270 / CPLT 270: World Literature
 ENGL 280: Literature and Society
 ENGL 282: Fiction
 ENGL 283: Themes in British Writing
 ENGL 284: Drama
 ENGL 285: Themes in American Writing
 ENGL 286: Poetry
 ENGL 287: American Literature
 ENGL 288: English Literature
 FAMS 110/ MART 110: Media Culture
 FAMS 180 Film Culture
 FAMS 240: Introduction to Film and Media Studies
 FREN 290: French Literature in Translation
 GERM 270: Knights and Ladies
 GERM 290: Germanic Mythology

MART 110/ FILM 110: Introduction to Media Arts
MART 201: Foundations of Media Arts Production
MART 210: Digital Media Arts Fundamentals
MUSC 110: Introduction to Music
MUSC 113: Special Topics in Popular Music
MUSC 114: Introduction to Music Theory
MUSC 115: Music Theory I
MUSC 140: Jazz and American Popular Music
MUSC 310: Selected Topics
RELG 270: Religion and the Arts
RUSS 280: Introduction to Russian Civilization
SOST 101: The Literary South
SPAN 220: Selected Works of Hispanic Literature in English Translation
THEA 170: Fundamentals of Acting
THEA 181: Shakespeare in Performance
THEA 200: Understanding and Appreciation of Theatre

VIII. Overlay

Courses must be taken to satisfy each of the following three requirements.

- a. Effective, Engaged, and Persuasive communication: Spoken Component (**CMS**)

List of approved CMS courses:

PHIL 213: Communicating Moral Issues
PHIL 325: Engineering Ethics
SAEL 200: Social Advocacy & Ethical Life
SPCH 140: Public Communication
SPCH 145: Online Public Communication
SPCH 213: Communicating Moral Issues
SPCH 230: Business and Professional Speaking
SPCH 260: Argumentation and Debate

- b. Information Literacy (**INF**)

List of approved INF courses:

ENGL 102: Rhetoric and Composition
LIBR 101: Information Literacy
SLIS 202: Introduction to Information Literacy and Technology
SPCH 145: Online Public Communication
STAT 112: Statistics and the Media

- c. Values, Ethics, and Social Responsibility (**VSR**)

List of approved VSR courses:

AFAM 218: Convergence and Diversity in African American and Jewish Relations: Historical and Contemporary
ANTH 212: Food and Culture
ANTH 216: Violence & Peace: Anthropological Perspectives
ANTH 244: American Indian Nations: From Hard Times to Hard Rock
ANTH 280: Humans Going Nuclear: Atomic Bombs, Cold War and the Fallout
BIOL 208: Our Hungry World
CPLT 150: Values and Ethics in Literature
CSCE 390: Professional Issues in Computer Science and Engineering (**available to CSCE majors only**)
EDTE 218: Convergence and Diversity in African American and Jewish Relations: Historical and Contemporary
(CAS will not use)
ENGL: 200 Creative Writing, Voice, and Community

ENGL 280: Literature and Society
 ENVR 322: Environmental Ethics
 HIST 108: Science and Technology in World History
 JSTU 218: Convergence and Diversity in African American and Jewish Relations: Historical and Contemporary
 LING 240: Language Conflict and Language Rights
 PHIL 103: Special Topics in Ethics and Values
 PHIL 211: Contemporary Moral Issues
 PHIL 213: Communicating Moral Issues
 PHIL 320: Ethics
 PHIL 321: Medical Ethics
 PHIL 322: Environmental Ethics
 PHIL 324: Business Ethics
 PHIL 325: Engineering Ethics
 POLI 201: American National Government
 POLI 240: Language Conflict and Language Rights
 POLI 302: Classical and Medieval Political Theory
 POLI 303: Modern Political Theory
 POLI 304: Contemporary Political Theory
 RELG 205: Morality, Ethics, and Religion
 SAEL 200: Social Advocacy and Ethical Life
 SPCH 213: Communicating Moral Issues
 SPTE 385: Ethics in Sports and Business
 WGST 112: Women in Society

One course must be used exclusively in the overlay, while two courses can be used for the overlay and requirements in sections I-VII. Courses used to satisfy these requirements cannot satisfy cognate, minor, or major requirements.

TOTAL HOURS:

31-43 hrs

H. COLLEGE REQUIREMENTS

Foreign Language (0-3 hours): Only if needed to meet 122-level proficiency.

I. Analytical Reasoning and Problem Solving

BACHELOR OF ARTS (6 hrs)

Choose two from the following:

MATH 122 or 141

MATH 142 or MATH 172

MATH 170 and/or 174

PHIL 114 or 115

Either STAT 110 or 112

Either STAT 201 or 205 or 206

CSCE 101, 102 or 145

GEOG 105

BACHELOR OF SCIENCE (12-14 hrs)

Students who are pursuing Bachelor of Science degrees must complete 12-14 hours as described below.

MATH 141 or 122 as specified by major department

MATH 142, 170, or 172 as specified by major department

STAT 201 (or equivalent) or higher, as specified by major department

CSCE 102 (or equivalent) or higher, as specified by major department

II Additional Historical Thinking (3 hrs)

ARTH 107: History of Asian Art
FILM 300: Film and Media History
GERM 280: German Culture and Civilization
HIST 101: European Civilization from Ancient Times to the Mid 17th Century
HIST 102: European Civilization from the Mid 17th Century
HIST 103: Introduction to South Asian Civilization
HIST 104: Introduction to the Civilization of the Islamic Middle East
HIST 105: Introduction to East Asian Civilization
HIST 106: Introduction to African History
HIST 108: Science and Technology in World History
HIST 109: Introduction to Latin American Civilization
Or another approved course determined by the College of Arts and Sciences to fit this geographic category

III Additional Social Science and Fine Arts (6-12 hrs)

Courses Acceptable for Social Science and Fine Arts or Humanities Credit in Degree Programs in the College of Arts and Sciences

- **Three** hours of Social Science (BA and BS)
- **Nine** hours of Fine Arts or Humanities (BA)
- **Three** hours of Fine Arts or Humanities (BS)

**Three hours of social science can come from the following list of subjects:
(Some courses listed below are cross-listed in other departments.)**

AFAM 201
ANTH (excluding 161)
COLA (pending content)
CRJU (excluding 202, 301, 399, 494)
ECON
GEOG (excluding 105, 201, 202)
LASP (LASP 301, 311, 312, 315, 322, 325, 331, 351, 398 pending content, 425, 451, 454, 455 only)
LING (LING 101, 300, 340, 405 pending content, 442, 505 pending content, 540, 541, 542, 543, 545, 567, 570, 600 only)
POLI
PSYC (excluding 226, 227, 228)
RELG 101
SOCY (excluding 220)
SOST (298, 299, 301, 302 pending content, 305, 405 pending content)
SSCI 001T, 003T
WGST (112, 210, 300, 301, 304, 305, 307, 308, 310, 351, 352, 358, 381, 430 pending content, 454, 525, 554, 555)

IV. Additional Fine Arts and Humanities Requirement (3-9 hours)

Bachelor of Arts degree: **9 hours**
Bachelor of Science degree: **3 hours**

Some courses listed below are cross-listed in other departments. You may use any course from the following departments as listed below to fulfill these hours.

AFAM (excluding AFAM 201, 330, 353, 355, 364, 366, 402, 580)
ARTS
ARTE (excluding 465, 471, 565, 595)
ARTH
CLAS
CPLT

DANC (excluding DANC177, 577, and any 1 or 2 credit course)
 ENGL
 EURO
 FAMS
 ARAB, CHIN, FREN, GERM, GREK, ITAL, JAPA, LATN, PORT, RUSS, SPAN, (excluding 100-levels and 315)
 HIST
 HUMA 001T, 001AP, 001IB, 002T
 JSTU 381, 382, 387, 491, 492
 LASP (LASP 201, 301, 341, 342, 361, 371, 398 pending content, 441, 442, 447, 471, 481, 501, 541 only)
 LING (Excluding LING 101) (LING 301, 405 pending content, 421, 431, 440, 441, 442, 502, 503, 504, 505
 pending content, 512, 514, 530, 540, 565, 600, 610, 620, 627, 650 only)
 MART
 MUSC (excluding one-hour credits for participation in music organizations, 399)
 PHIL (excluding 110, 111, 114, 115, 511)
 RELG (Excluding RELG 101, 360)
 SOST (298, 299, 301, 302 pending content, 305, 405 pending content)
 SPCH
 THEA (excluding THSP 119, 120, 121, 122, 123, 219, 220, 221)
 WGST (111, 307, 308, 320, 321, 376, 379, 437, 464, 485, 535 pending content, only)

I. PROGRAM REQUIREMENTS

Each student must successfully complete a major program of study approved by the major department. The major department has the authority in the application and interpretation of its major, cognate, minor, and special departmental requirements. Any substitutions, exemptions, or deviations from the published requirements granted by the department must be reported in writing with the signature of the department chairperson or designated representative (usually the director of undergraduate studies) to the Student Excellence Collaborative to become part of the student's record.

Once the student reaches 90 hours, the student and the advisor are required to fill out a major program card. The advisor should indicate the courses approved by the department as meeting major, cognate or minor requirements, and any additional departmental specifications. After the major program card has been signed by the advisor, it is the student's responsibility to see that the major program card is presented to the Student Excellence Collaborative and to arrange for a senior check. Senior checks are conducted by appointment only.

The senior check will provide the student and advisor with information about total hours earned, total degree applicable hours, status of general education requirements, status of major and cognate or minor requirements, and status of electives. This information should form the basis for the student's final advising.

- All courses used to fulfill the Major Program requirements must be passed with a grade of C or better.
- All major programs, except LASP, EURO, WGST, FAMS, CPLT, CLAS, AFAM, ENVR, MSC1, CVT will include 24 or more specified number of hours of upper level course credits in a single discipline.
- The Major Program requirements for Marine Science will include a requirement of 36 hours of upper-level course work, approved by the student's advisor. In general, only courses that are eligible for cognate credits will be considered for credit toward the major.
- The Major Program requirements for Cardiovascular Technology consist of specified courses in Biology, Chemistry and Physics plus completion of an 18-month internship in an accredited hospital program.
- The Major Program Requirements for Biochemistry and Molecular Biology consist of specified courses in biology and chemistry.
- The Major Program Requirements for a **Double Major** degree involving two majors from the College of Arts and Sciences are as follows: the student presents two lists of courses passed with the first list satisfying all Major Program Requirements for the first major and the second list satisfying all Major Program Requirements for the second major. No course may appear on both lists. All general education

requirements and other course requirements for both majors must be completed. The student must see an advisor in each department each semester.

- A second major eliminates the cognate requirement; however, special departmental requirements normally completed as a part of the cognate are not waived. **Example:** BIOL majors are required to take CHEM 333, 331L and 334, 334L and count them as a part of the cognate. This requirement will not be waived as a result of a biology major choosing to pursue a double major.

J. COGNATE

All single-major degree programs (except Biochemistry and Molecular Biology, Cardiovascular Technology, Environmental Science, Environmental Studies, and Marine Science) include a Cognate Requirement. Each student is required to pass 12 credits of upper-level course work from areas outside of the major discipline. The cognate is designed to support the major and must have the approval of the major advisor. Cognate classes can be taken in one or more departments, depending on the student's interests and the judgment of the advisor. In certain cases they may be selected from the professional schools. Any course that does not appear on the College list of eligible courses may not be used for cognate.

It should be emphasized that the cognate is not a second set of elective courses to be chosen at random by the student. The cognate must be approved by the advisor as being related to the major field of study. The Office of the Associate Dean will not approve cognates without prior approval by the major department. Courses that a student uses to fulfill general education requirements may not also apply toward the cognate.

- Cognates must be selected from outside the student's major program.
- All cognate courses must be passed with a grade of C or higher for students majoring in the humanities, arts and social sciences disciplines.
- In general, courses that are cross-listed with the student's major may not apply toward the cognate requirement for those students with a major in the natural sciences.
- **The Bachelor of Fine Arts does not require a cognate or minor**

Courses acceptable for Cognate Credit by the College (Departments may add further restrictions)

Except in unusual circumstances 399 courses may not apply toward the cognate. Courses with a 003T equivalent can be used for cognate credit. Courses in disciplines not included on this list must be approved in advance by the Associate Dean of the College of Arts and Sciences.

Accounting (ACCT)	All numbered 300 and above (except 498, 499)
Aerospace Studies (AERO)	All numbered 300 and above
African American Studies (AFAM)	All
Anthropology (ANTH)	All numbered 200 and above

Statistics (STAT)	All numbered 300 and above
Theatre (THEA)	All numbered 230 and above
Women's and Gender Studies (WGST)	All numbered 300 and above

K. MINOR OPTION

A student may elect to complete a minor rather than a cognate. The minor consists of a minimum of 18 credit hours that form a second area of competency. These hours are taken in a second discipline, and they are prescribed by the unit that offers them with the approval of the Associate Dean of the College of Arts and Sciences. The purpose of the minor is to prepare the student in a second field, which may be unrelated to the major. Students pursuing interdisciplinary minors who wish to use courses in their major department for minor credit must petition the College Committee on Scholastic Standards and Petitions for permission to do so. The minor differs from the cognate inasmuch as the courses must be concentrated in one area and must follow a structured sequence. Interdisciplinary minors can be designed with the approval of the dean. Minors are available in participating departments of the College of Arts and Sciences and in other colleges. For descriptions of specific minors students should consult the *Undergraduate Studies Bulletin*. Courses applied toward general education requirements cannot be counted towards a student's minor. Furthermore:

- No course may satisfy both major and minor requirements.
- All minor courses must be passed with a grade of C or higher.
- At least half of the courses in the minor must be completed in residence at the University.
- NOTE: There are often prerequisites that must be completed before enrolling in courses that apply to the minor.

L. MAJOR REQUIREMENTS:

****A GRADE OF 'C' OR HIGHER IS REQUIRED IN ALL MAJOR COURSES****

Please go to the following link for degree requirements and major maps:

Undergraduate Studies Bulletin: <http://bulletin.sc.edu/index.php>

Major Maps:

https://sc.edu/about/offices_and_divisions/advising/advisor_toolbox/majormaps.php?search=2020-2021

M. INAPPLICABLE COURSES

Inapplicable courses will factor into your final grade point average (GPA) but they are hours that cannot be used toward your necessary graduation hours. The following are inapplicable courses:

- Remedial courses, while in some cases are necessary for a student's success in college work, are not accepted as credit toward graduation.
- Skill acquiring courses such as physical education activities courses, office procedure, keyboarding, first aid (HPEB 335 and PEDU 300), etc. Many of the courses with the ITEC & HRTM designators are skill courses and will not apply toward the graduation requirements for students with a major in **the natural sciences**. Only those Physical Education courses involving substantial content in pedagogy may be applied as electives. All 1 hour PEDU courses are considered inapplicable.
- EDCE 570 or any course used for residence hall advisor training.
- Professional orientation courses, such as EDSE 110, and EDCI 110, that emphasize career opportunities

and goals in professional programs, will not apply toward graduation.

- Artistic skill courses will be used as electives.
- Repeated courses. If a student takes a class more than once, both course enrollments will appear on the transcript and be used in computing the GPA. However, the hours earned from the course may be used only once as credit toward graduation. In cases where students must repeat courses for which credit has already been earned (e.g., D in a required major course), the minimum number of hours needed for graduation will be raised accordingly.
- Transfer credits earned at other institutions with grades of less than C are inapplicable, credits earned at unaccredited institutions are inapplicable, and credits from two-year institutions that are not part of the college parallel program are also inapplicable.

N. SELECTED ACADEMIC REGULATIONS

- **FULL-TIME STATUS:** A student must take at least 12 credit hours to be classified as a full time student. A student's status with regard to campus housing, University fees, scholarship standing, athletic eligibility, financial aid, etc. may be affected adversely if enrollment drops beneath 12 hours during the semester.
- **FEES:** A student is charged full-time fees for 12 -16 credit hours per semester. Additional per credit hour fees will be assessed for students enrolling in 17 or more credit hours. Fees are paid by the credit hour for less than 12 hours.
- **COURSE OVERLOAD:** In the College of Arts and Sciences, advance approval by the advisor and the Associate Dean is required for any schedule of 19 or more hours. Normally this approval is only given if the student's cumulative or semester GPA is greater than 3.00 on a minimum of 12 hours taken on a non-pass/fail basis.
- **GRADES OF D:** No grade of **D** will be permitted to count toward a student's major, cognate (**see individual majors for exceptions**), minor, or ENGL 101 or 102. Students who make a D in any of these required courses for which there is no substitute must repeat that course; this process will raise the number of hours for graduation.
- **GRADUATION HOURS:** The Bachelor of Arts and Bachelor of Science degrees offered by the College of Arts and Sciences require a minimum of 120-128 hours of applicable credit. In some cases, however, a student may be required to present more than the minimum. For example, if a student takes a one-hour PE course, he or she then needs a minimum of 121 hours. Hours earned are never subtracted from a student's totals as shown on the transcript; however, the Student Excellence Collaborative does raise the hours needed to graduate to offset inapplicable credits.
- **INDEPENDENT STUDY:** Courses numbered 399 (Independent Study) cannot be used to fulfill general education requirements. Independent Study taken outside the major/minor/cognate must be taken pass/fail (see below). A cumulative GPA of 2.5 or higher is required to enroll in independent study courses. No student may apply more than 15 hours of independent study credits toward the degree.
- **PASS/FAIL OPTION:** Courses taken on a pass/fail basis cannot be applied to the general education, major, cognate, or minor requirements. They can be used only as free electives. **Note:** The pass/fail option is NOT available to undergraduate students whose semester or cumulative GPA is less than 2.000. Also, students are permitted to take no more than eight (8) courses pass/fail.
- **WITHDRAWAL FROM COURSES:** Students may drop a course(s) without academic penalty by the published deadline each semester. This deadline is published each semester in the Master Schedule, and is referred to as the "Last day 'W' grade assigned." Students who drop a course(s) on or before this deadline are assigned the grade of "W," which is not factored into their GPA. Students who drop a course(s) after

the deadline are assigned the grade of “WF,” which is computed as an “F” in the GPA and suspension formula.

- **SENIOR PRIVILEGE:** Subject to the following conditions, an undergraduate student may enroll in a graduate course for the purpose of eventually applying the course credit towards a graduate degree:
 - a. The student has been accepted as a prospective graduate student with the approval of the chairman of the department and the Dean of the Graduate School.
 - b. The student is adequately prepared for graduate work in the field.
 - c. The student is within 30 credit hours of graduation.
 - d. Graduate credits earned under Senior Privilege, will not apply in any way (even as free electives) toward the requirements of the undergraduate degree (except for accelerated Bachelors/Master).
- **TRANSFER EVALUATION:** A student transferring to the University from another college or university and electing to major in this College must have their transcript evaluated by the Associate Dean who will decide which courses will apply for credit towards the degree requirements of the College. The Associate Dean will determine which specific college and program requirements are satisfied by these courses.
- **IN RESIDENCE REQUIREMENT RULE:** The last 25% of a student’s degree must be completed in residence at the University, and at least half of the hours in the student’s major courses and in the student’s minor courses (if applicable) must be taken at the University.
- **SUMMER SCHOOL:** A student in good standing (2.0 GPA or higher) who wishes to attend a summer session at another university and to use the credits earned toward a degree in this College must obtain approval, in advance, from his/her advisor and the Associate Dean. Permission will not be given to take an equivalent course for which a student previously enrolled in here at USC and earned any grade other than “W.” Students will be allowed to take major or cognate courses at other schools, with Associate Dean’s approval. Suspension from the University automatically revokes permission to attend another university.
- **USC GPA:** Grades for courses taken at any college or university outside of the USC system are not included in the computation of the student's GPA at USC.

O. DEGREE COMBINATIONS

In order to receive a degree from the College of Arts and Sciences, a student must complete at least half of the major courses on the Columbia campus.

SECOND BACCALAUREATE DEGREE: At times the University confers a second baccalaureate degree upon candidates who have completed requirements for the second degree.

- The following specifications for a second baccalaureate degree apply:
 - The student must meet admission and progression requirements for the second degree, and must have received formal approval to pursue the second degree from both deans.
 - All requirements for the second degree must be fulfilled.
 - No course that satisfies a general education, major, minor, cognate, or requirement other than a free elective for the first degree may be applied to the major field of the second degree.

SECOND MAJOR: In some degree programs, a student may elect a second major. Normally, second majors are possible only in degree programs with similar general education requirements. The second major option is not available in all colleges. The following specifications for a second major apply:

- The student must meet admission and progression requirements for the second major.
- All requirements for the second major must be fulfilled.

- All general education and special departmental requirements normally associated with the second major must be fulfilled.
- In cases where the first major and the second major lead to different degrees, the student must designate one as the official degree of record.

A second major eliminates the minor/cognate requirement; however, special departmental requirements normally completed as part of the minor/cognate are not waived. Fulfillment of the requirements for a second major are indicated on the student's official transcript upon graduation. No notation for a second major is placed on the official transcript for course work completed after graduation.

P. FOREIGN LANGUAGE PLACEMENT TEST SCORES AND MEANINGS

Students **MUST** take the level of the course in which they have placed. Students are never permitted to place themselves in a higher/lower level course than is reflected by their placement score.

ARABIC

A0 – Eligible for ARAB121 (Assumes no prior knowledge of the language)

If you took the **Arabic Placement Test**:

A1 – Eligible for ARAB121

A2 – Eligible for ARAB122

A3 – Eligible for ARAB201

AB – Eligible for ARAB202

A4 – Eligible for ARAB301

AC – Eligible for ARAB301

CHINESE

C0 – Eligible for CHIN121 (Assumes no prior knowledge of the language)

If you took the **Chinese Placement Test**:

C1 – Eligible for CHIN121

C2 – Eligible for CHIN122

C3 – Eligible for CHIN221

C4 – Eligible for CHIN222

C5 – Eligible for CHIN321

C6 – Eligible for CHIN322

C7 – Eligible for CHIN421

C8 – Exempt from all skills-based Chinese courses

FRENCH

F0 – Eligible for FREN109 (Assumes no prior knowledge of the language)

If you took the **French Placement Test**:

F1 – Eligible for FREN109

F2 – Eligible for FREN121

F3 – Eligible for FREN122

F4 – **Mandatory Phase II Exam** (You must take the Phase II Exam before taking a French course.)

*An F4 score does not satisfy any College's GFL requirement. It only indicates that more testing is needed.

F5 – Eligible for FREN209 and/or FREN210

F6 – Eligible for any 300-level French course

F7 – Eligible for any 400 level French course

GERMAN

G0 – Eligible for GERM109 (Assumes no prior knowledge of the language)

If you took the **German Placement Test**:

G1 – Eligible for GERM109

G2 – Eligible for GERM121

G3 – Eligible for GERM122

G4 – **Mandatory Phase II Exam** (You must take the Phase II Exam before taking a German course.)

*A G4 score does not satisfy any College's GFL requirement. It only indicates that more testing is needed.

G5 – Eligible for GERM210

GB – Eligible for GERM211

G6 – Eligible for GERM310

GD – Eligible for GERMAN311

G7 – Eligible for any course above 300-level

ITALIAN

I0 – Eligible for ITAL121 (Assumes no prior knowledge of the language)

If you took the **Italian Placement Test**:

I1 – Eligible for ITAL121

I2 – Eligible for ITAL122

I3 – Eligible for ITAL221

I4 – Eligible for ITAL222

JAPANESE

J0 – Eligible for JAPA121 (Assumes no prior knowledge of the language)

If you took the **Japanese Placement Test**:

J1 – Eligible for JAPA121

J2 – Eligible for JAPA122

J3 – Eligible for JAPA221

J4 – Eligible for JAPA222

J5 – Eligible for JAPA321

J6 – Eligible for JAPA322

J7 – Eligible for JAPA421

J8 – Eligible for JAPA422

LATIN

L0 – Eligible for LATN109 (Assumes no prior knowledge of the language)

If you took the **Latin Placement Test**:

L1 – Eligible for LATN109

L2 – Eligible for LATN121

L3 – Eligible for LATN122

L4 – Eligible for LATN301

PORTUGUESE

P0 – Eligible for PORT121 (Assumes no prior knowledge of the language)

If you took the **Portuguese Placement Test**:

P1 – Eligible for PORT121

P2 – Eligible for PORT122

P3 – Eligible for any 200-level Portuguese course

P4 – Eligible for any 300-level Portuguese course

RUSSIAN

R0 – Eligible for RUSS121 (Assumes no prior knowledge of the language)

If you took the **Russian Placement Test**:

R1 – Eligible for RUSS121

R2 – Eligible for RUSS122

R3 – Eligible for RUSS201

R4 – Eligible for RUSS202

R6 – Eligible for RUSS301

R7 – Eligible for RUSS302

R8 – Eligible for RUSS401

R9 – Eligible for RUSS402

SPANISH

S0 – Eligible for SPAN109 (Assumes no prior knowledge of the language)

If you took the **Spanish Placement Test**:

S1 – Eligible for SPAN109

S2 – Eligible for SPAN121

S3 – Eligible for SPAN122

S4 – **Mandatory Phase II Exam** (You must take the Phase II Exam before taking a Spanish course.)

*An S4 score does not satisfy any College's GFL requirement. It only indicates that more testing is needed.

S5 – Eligible for SPAN209

SB – Eligible for SPAN210

S6 – Eligible for SPAN302

SD – Eligible for SPAN303

S7 – Eligible for SPAN312

Placement Coordinators for the Department of Languages, Literatures and Cultures	
Department of Languages, Literatures and Cultures Placement Director	Timothy McAteer 803-777-0816 flplace@sc.edu
Arabic	Nancy Linthicum linthicn@mailbox.sc.edu

Q. INTERPRETING MATH PLACEMENT SCORES

All entry-level MATH courses at USC have a prerequisite that can be satisfied by the web-based Mathematics Placement Test (MPT). The MPT website is <http://assess.math.sc.edu/>. Students whose degree program includes MATH 141 should take the Precalculus version of the MPT while students whose degree program includes MATH 122, 170, or 221 should take the Algebra version of the MPT.

The following tables summarize how MPT scores map to specific courses. The MPT website includes practice tests, review materials, a frequently asked questions list, and other information. Questions and problems should be sent by e-mail to assess@math.sc.edu or by telephone to (803) 777-5313.

Interpretation of Scores on the Precalculus Version of the MPT		
Raw Score (out of 33)	Recommended Collegiate Math Course	Additional information
0 - 6	Developmental Algebra	This course is not offered at USC-Columbia; consider taking it at a local technical school.
7 - 18	MATH 115 PreCalculus Mathematics	Prepared to successfully complete the course with a C or better
19 - 33	MATH 122 Calculus for Business Admin & Soc Sci MATH 141 Calculus I MATH 170 Finite Mathematics MATH 174 Discrete Math for Comp Science MATH 221 Basic Concepts of Elementary Math	Prepared to successfully complete these course with a C or better

Interpretation of Scores on the Algebra Version of the MPT		
Raw Score (out of 26)	Recommended Collegiate Math Course	Additional information
0 - 3	Developmental Algebra	This course is not offered at USC-Columbia; consider taking it at a local technical school.
4 - 7	MATH 111i Intensive Basic College Mathematics	Prepared to successfully complete the course with a C or better
8 - 13	MATH 111 Basic College Mathematics	Prepared to successfully complete the course with a C or better
14 - 26	MATH 122 Calculus for Business Admin & Soc Sci MATH 170 Finite Mathematics MATH 221 Basic Concepts of Elementary Math	Prepared to successfully complete any of these courses with a C or better.

Notes:

1. The MPT does not override any credits for MATH courses taken at other institutions (including AP credits). However, in order to have an accurate updated MPT code all students must take the MPT prior to taking any MATH course at USC.
2. The updating of MPT codes is automatic for all students with an MPT score on file. The updates are done weekly; current MPT codes can be viewed through Self Service Carolina.
3. Credit can be received for only one of MATH 111, MATH 111i, and MATH 115. Students who have taken MATH 111 or 111i and need to take MATH 141 should take MATH 112. MATH 112 is open only to students with prior credit for MATH 111, 111i, and/or 122.
4. MATH 116 (Brief Precalculus) is a 2 credit-hour review of the content of MATH 115. This course is designed specifically for students who qualify for MATH 141 but found they were not fully prepared to succeed in MATH 141. MATH 116 is offered during the second half of each Fall semester.
5. Students enrolled in a course for which they do not have an appropriate MPT code will be dropped from the course. These drops are not done until all grades from USC's previous term have been recorded and all MPT codes have been updated.
6. After one week (7 days) you may retake the same version of the MPT (Algebra or Precalculus) with different questions. You are allowed at most three (3) attempts at any one version of the MPT. Your most recent MPT code is used to determine your placement.

R. AP and IB credits

Traditionally, students who successfully complete the College Board Advanced Placement Program (AP) and higher level International Baccalaureate (IB) Diploma Programme in their high school go on to achieve academic success at the University of South Carolina. **Standard Level IB Courses will not receive credit for exams.**

High scores on these tests may result in college credit at USC. Students taking AP exams must earn a score of "3" or above in order to receive credit, while students enrolled in higher-level IB courses must score a minimum of "4" on IB examinations. In many cases, AP test scores higher than "3" and IB test scores higher than "4" result in additional college credit awards. Students planning to attend USC should have their AP scores sent to the University (school code 5818) at the time of their testing.

AP Credits

AP Exam Area	AP Score	Credit Earned	AP Score	Credit Earned

* Meets core social science requirement and/or prerequisite in the majors of political science and international studies

** Students scoring 1 or 2 must take the University of South Carolina foreign language test. If you wish to continue your language study at the University of South Carolina, you must take the PHASE II Language Test to help determine your correct placement. For information, visit www.cas.sc.edu/dllc/geninfo/testing.html.

*** Students who score a 1 or 2 but receive a 3 or above on the Calculus AB subscore will earn credit for MATH 141.

* Students scoring 4 or higher on any higher level IB foreign-language examination are not required to take the University's placement; lower scores, however will require the placement test. Students receiving credit through IB foreign-language examinations may not receive additional advanced-standing credit for 100-level courses.

** Scores of 4 or above are reviewed on a case-by-case basis and include an oral interview.

This information is subject to change. It is intended as a guide only. Credit awarded may change without notice.

S. CLEP Credits

College-Level Examination Program (CLEP) exams test mastery of college-level material acquired through instruction, independent study, or extracurricular work. While the University of South Carolina grants credit for certain CLEP exams, our minimum score requirements are different from the ACE recommendations. CLEP exams cannot be retake for passing credit.

Test Name	Score Needed to Receive Credit	UofSC Credit
Introductory Psychology	54	PSYC 101
American Government	65	POLI 201
American Literature	55	ENGL 285
Biology	57 63	BIOL 101, 101L BIOL 101, 101L, 102, 102L

Western Civilization II	56	HIST 102

T. ACADEMIC STANDARDS POLICIES

Academic Standards

The following standards for continuing at the Columbia and regional campuses of the University of South Carolina apply to all undergraduate students who first enroll at the Columbia and regional campuses of the University in the fall 2008 semester or thereafter, are admitted to the Columbia and regional campuses of the University in an undergraduate degree program in the fall 2008 or thereafter, or are enrolled in the fall 2010 semester or thereafter, regardless of when first enrolled at the University. Administration of these regulations is the responsibility of the academic deans, who are not empowered to waive any of the provisions.

Academic Review

The record of every undergraduate student will be reviewed at the end of each fall and spring semester. Many of the individual colleges of the University have higher academic requirements for students to continue in their degree programs. However, no student will be suspended academically from the University unless he/she fails to meet the standards specified here.

Academic Standing

A student's academic standing is based on his/her "Total Institutional GPA" and "Total Institutional GPA Hours" which can be viewed in Self Service Carolina at the end of a student's "Unofficial Academic Transcript" under the heading, "Transcript Totals (Undergraduate)."

Academic Probation

When a student's Total Institutional GPA at the end of any semester is less than a 2.00, he or she is placed on academic probation.

First-year Freshmen Academic Recovery Program

First-year freshmen who have less than a 2.00 Total Institutional GPA at the end of their first semester of collegiate enrollment are considered at risk. During the first six weeks of their second semester, these students must participate in an academic coaching session before being eligible to register for courses for the third semester. These sessions will provide students with assistance in academic planning, general advisement, major exploration, degree audit, self-assessments, and success strategies. This requirement is in addition to any made by the student's college, school, or academic program.

Removal from Academic Probation

When a student's Total Institutional GPA at the end of any semester is a 2.00 or above, he or she is not on academic probation.

Continuing on Academic Probation

Any student who is on probation at the beginning of a fall or spring semester must achieve a certain Total Institutional GPA at the end of that semester in order to avoid suspension. A student may also continue on probation and avoid suspension if the semester grade point average is 2.50 or greater. Standards for continuing on probation are based on the cumulative grade hours the student has attempted at USC. The chart below shows the grade point averages required in order to avoid suspension.

Probation Chart

Total Institutional GPA Hours	Placed on probation	Continue on probation (avoid suspension)	Removed from probation
12-35	below 2.00 Total Institutional GPA	1.500 or higher Total Institutional GPA	2.00 or higher Total Institutional GPA
36-71	below 2.00 Total Institutional GPA	1.800 or higher Total Institutional GPA	2.00 or higher Total Institutional GPA
72+	below 2.00 Total Institutional GPA	only with semester reprieve (see below) or by college petition	2.00 or higher Total Institutional GPA

SEMESTER REPRIEVE: Regardless of the Total Institutional GPA, a student may continue on probation and avoid suspension if the Current Term grade point average is 2.50 or greater.

First Suspension

Students unable to meet the standards shown above are suspended from the University of South Carolina for one fall or spring semester and the contiguous summer (approximately eight months). Students have the right to appeal their suspension to the petitions committee of the college or school in which they were enrolled when suspended.

Returning After First Suspension

After the suspension has been served, a student will be considered for readmission by the college or school to which the student is seeking admission. A student readmitted following suspension continues on probation and is reviewed for suspension at the end of each fall and spring semester. A Current Term grade point average of 2.50 or higher must be achieved each semester until the Total Institutional GPA reaches the level above which suspension would occur (see chart).

During the first six weeks after returning from a first suspension, students must participate in an academic coaching session before being eligible to register for courses for the following semester. These sessions will provide students with the resources they need to meet their academic goals.

Returning after Subsequent Suspension

The duration of the second suspension is indefinite, and the student can be considered for readmission only after being approved for reinstatement by action of the petitions committee of the college or school to which the student is seeking admission. A favorable decision by the committee is unlikely within two years of the suspension.

Earning Academic Credit While on Suspension

A student on suspension is given an opportunity to reorder priorities and reassess his or her situation before returning. While serving suspension, a student may not be admitted to, or continue in, any academic program of the University. Credit earned at any other institution while a student is on suspension from the University may not be applied toward a degree from USC, unless approved by the Standards and Petitions Committee of the college to which the student is readmitted. Prior approvals for transient study will be revoked for suspended students.

Retention in Degree Programs

Students are reminded that the above regulations are for all undergraduate students in the University. Many colleges and schools offer degree programs that have more stringent requirements for retention in those programs. Failure to meet the academic requirements of those degree programs may result in the student being asked to leave that program. Students should consult the colleges and schools section of the Academic Bulletin to review the specific degree retention requirements

Academic Progression and Program Dismissal

Students dismissed from a program for failing to meet academic progression requirements will be reassigned to Undergraduate Studies and will be advised by the University Advising Center. Students assigned to Undergraduate Studies will have a maximum of two semesters before declaring a new program of study. At the conclusion of two semesters enrolled at full-time status, students who have not declared a major/program within a degree-granting college will have a registration hold placed and will be unable to enroll in coursework.

Petition Procedures

In addition to previously specified provisions by which a student may petition to waive the application of this suspension policy, a student suspended by this policy has the right to petition to the appropriate college scholastic standards and petitions committee to waive the application of the suspension rule at any time. Students placed on first suspension who wish to petition for a waiver of the suspension rule may petition only the committee of the college in which they were enrolled at the time of suspension.

U. INTEGRATIVE COURSES

Students must complete an integrative course in their chosen major. All integrative courses within the College of Arts and Sciences are listed below.

African American Studies, BA: AFAM 498, 499

Anthropology, BA: ANTH 261, 319, 320, 355, 366, 371, 381, 518, 581, AFAM 366, GEOG 581, LING 340, WGST 381

Art Education, BFA: ARTE 565, 571

Art History, BA: ARTH 501, 511, 514, 519, 520, 521, 522, 523, 524, 525, 526, 527, 529, 534, 535, 536, 537, 539, 540, 542, 543, 544, 549, 550, 555, 557, 590

Art Studio, BA: ARTS 310, 311, 315, 316, 320, 321, 325, 326, 331, 360, 361

Art Studio, BFA: ARTS 447, 448, 500, 510, 511, 516, 517, 520, 521, 525, 526, 530, 531, 560, 561
