

TRANSFER CREDIT GUIDE: MAJORS IN THE HUMANITIES, SOCIAL SCIENCES, and ARTS

If you are a South Carolina technical college student who plans to transfer to the University's College of Arts and Sciences, to pursue *a liberal arts major*, you should consider the following courses as you schedule your technical college classes. The courses listed below will transfer to degree programs within the College of Arts and Sciences. This list does not include every technical college course that is available for transfer to the University of South Carolina. You are not required to take all courses listed prior to transferring. Rather, it is a guide for you and your advisors.* You should be aware that courses must be passed with a *grade of C or higher* in order to be considered for transfer credit. Please review admissions requirements at www.sc.edu/admissions.
