The faculty of the Department of Mathematics at the University of South Carolina, Columbia campus, invites applications for a full time, professional-track position at the rank of Instructor to begin August 16, 2023. The position is a 9-month appointment with a teaching load of 8 courses for the academic year. This is an annual appointment that may be renewed contingent upon Dean's approval, satisfactory performance, departmental needs, and the availability of funding.

Candidates must have a minimum of a M.S. degree, Ph.D. preferred, in Mathematics or Mathematics Education and demonstrated excellence in teaching.

The successful candidate will teach 100 and 200 level courses, including first year calculus and precalculus courses. The expected teaching load is 4-4. However, course releases may be given based on additional service in the Department, College, and University.

At the University of South Carolina, we strive to cultivate an inclusive environment that is open, welcoming, and supportive of individuals of all backgrounds. We recognize diversity in our workforce is essential to providing academic excellence and critical to our sustainability. The University is committed to eliminating barriers created by institutional discrimination through accountability and continuous process improvement. We celebrate the diverse voices, perspectives, and experiences of our employees.

From the Upstate to the Lowcountry, the University of South Carolina system is transforming the lives of South Carolinians through the impact of our eight institutions and 20 locations throughout the state. More than 50,000 students are enrolled at one of eight institutions, including the research campus in Columbia and comprehensive four-year universities in Aiken, Upstate and Beaufort. In addition, our Palmetto College campuses in Salkehatchie, Union, Lancaster and Sumter enable students to earn associate or bachelor's degrees through a combination of in-person, online or blended learning. All of our system institutions place strong emphasis on service — helping to build healthier, more educated communities in South Carolina and beyond.

The Mathematics Department (http://www.math.sc.edu/), located in the heart of the historic campus, currently has 31 tenured and tenure-track faculty, 10 instructors, 46 graduate students, over 180 majors, and 40 minors. Faculty research interests include algebra, analysis, applied and computational mathematics, constructive approximation, discrete mathematics, geometry, mathematical biology, mathematical education, and number theory. The LeConte building, where the Department of Mathematics resides, has recently been renovated. We have state of the art Math Learning Center. Other excellent resources include <a href="the Center for Teaching Excellence">the Center for Teaching Excellence</a>. For more information about the Department of Mathematics, please visit our website at <a href="https://sc.edu/study/colleges\_schools/artsandsciences/mathematics/index.php">https://sc.edu/study/colleges\_schools/artsandsciences/mathematics/index.php</a>.

The University of South Carolina is an affirmative action, equal opportunity employer. Minorities and women are encouraged to apply. The University of South Carolina does not discriminate in educational or employment opportunities on the basis of race, sex, gender, gender identity, transgender status, age, color, religion, national origin, disability, sexual orientation, genetics, protected veteran status, pregnancy, childbirth or related medical conditions.
