What is AWM?

AWM or Association for Women in Mathematics is a non-profit organization founded in 1971.

The idea was to create a space in which women can thrive in their mathematical endeavors,

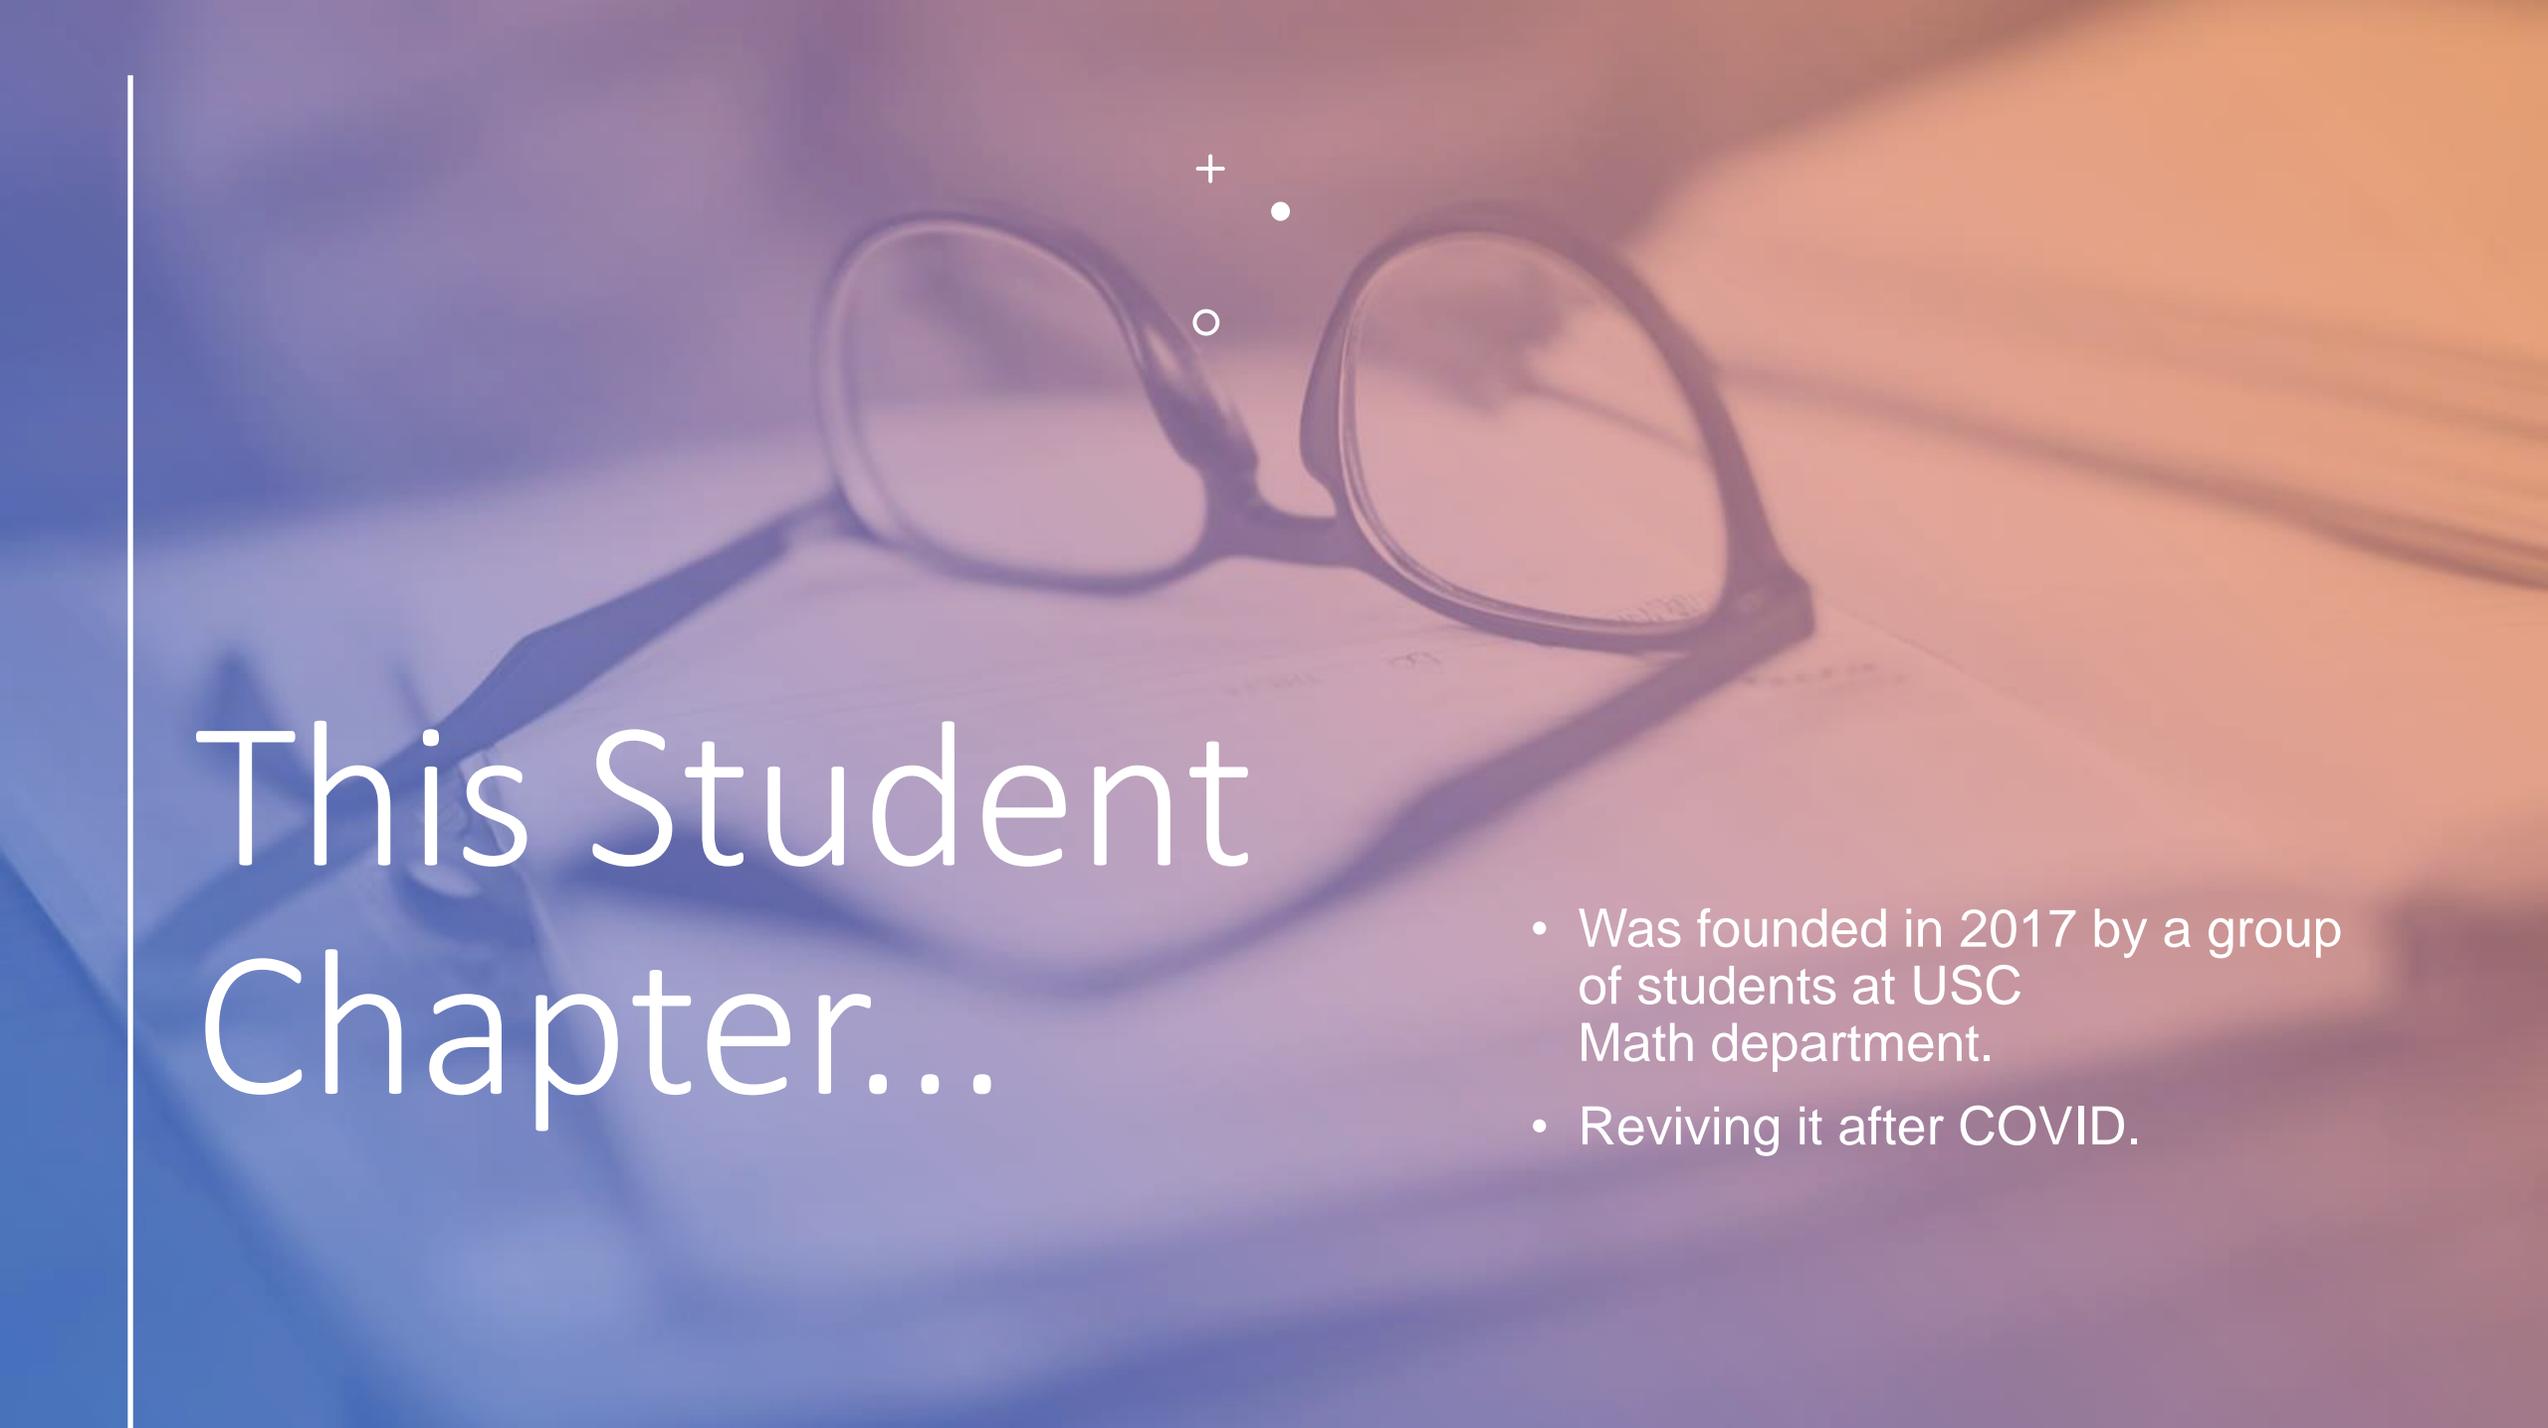

To promote equitable opportunities and treatment of women and others of marginalized genders and gender identities across the mathematical sciences.

Gender Gap in STEM

- Significant gender gap with women constituting 28% of workforce.
- 24% in United States, 17% in European union, 16% in Japan, 14% in India.
