

Ken Turner

Ken Turner earned his bachelor's degree in Statistics at the University of South Carolina in 2016. After graduating, he earned a master's in Statistics at the University of Georgia and now works as a Data Analyst at US Federal Solutions, Inc. About choosing statistics as a major, Ken says:

- “In my undergraduate study, I changed my major multiple times. I just could not settle on one thing that I wanted to do for the rest of my life.”
 - “I had a mentor introduce me to the field of Statistics: a set of tools that would allow me to work in anyone's backyard (credit: John Tukey).”
 - “I attribute my success across fields and industries to the versatility of statistics. No matter where you are, you follow the rules, and everything falls into place.”
