Student Travel Brief Guidelines

I. Before Travel

a. If you are planning on being reimbursed for your travel:

- **Electronically submit** the Travel Authorization (TA) form at least 10 business days prior to travel [https://image.admin.sc.edu/entryT.php](https://image.admin.sc.edu/entryT.php). You will need a fund number from your advisor.

- **Turn in a hard copy of the TA form** to Assistant to the Chair, for signature and processing (once signed by chair you will receive a copy of the signed TA.)

- **Keep a copy of the TA form.** You will need the electronically assigned TA number for your reimbursement form (see below.)

b. If international travel -

- All students (undergraduate, graduate, and professional) traveling abroad for University-related purposes are required to **register their international travel** in the Student International Travel Registry maintained by the Study Abroad Office by an established deadline before the expected departure date. ACAF 2.09, Section I.A

II. After Travel is completed

a. For reimbursement of travel costs:

- **Complete a Travel Reimbursement Voucher**

- [https://www.sc.edu/about/offices_and_divisions/controller/documents/travel-form.pdf](https://www.sc.edu/about/offices_and_divisions/controller/documents/travel-form.pdf) and print a copy and sign it. (Note: you will need to have previously submitted a TA and know the electronically assigned TA number.)

- **Make a copy of completed TRV all receipts for yourself** in case they get lost. (We do not keep a copy of this documentation.)

- **Attach original receipts to the TRV and submit to the Assistant to the Chair for signature.** Once signed the form will be sent to the Travel clerk.
