#### **UNIVERSITY OF SOUTH CAROLINA ACADEMIC POSITIONS**

##### **Vice President for System Planning (2015 – 2018)**

- With eight campuses across 19 locations, offering more than 450 degree programs. Founded the first system office, launched a new system website, established connections with system leaders and external partners, taken an active role in the review of policies that apply to all campuses, facilitated the transmission of best practices, and effectively represented system issues to the Board of Trustees, the South Carolina Commission for Higher Education, and the South Carolina legislature.

##### **Interim Chancellor, USC Upstate (2016 – 2017)**

- Chief Executive Officer of USC Upstate, an independently accredited regional comprehensive university in the University of South Carolina system
- Spartanburg County Commission on Higher Education *Founder's Day Award* (February 16, 2017) – For extraordinary leadership of the University of South Carolina Upstate as interim chancellor.

##### **Associate Vice President / Vice Provost for Special Academic Initiatives (2012 – 2015)**

- Created *On Your Time Program*. Redesigned and opened summer school as a full third semester and made it possible for students to complete over one-half of the undergraduate majors on an accelerated timetable. Secured permission of the legislature and the governor to use state scholarship monies in the summer semester. Secured a USC-base budget increase as well as one-time funds from the state to provide for the program.

##### **President, Council of Colleges of Arts and Sciences (2012 – 2013)**

##### **Dean of the College of Arts and Sciences (2005 – 2015)**

- The largest and most diverse college in academic fields of study in the university and in the state. Hired over 300 new faculty, increased the size of the faculty by fifty through the development of a strategic vision and the organization of the resources needed to invest in this plan. Developed new undergraduate and graduate majors and funded new centers, institutes and programs (e.g. Institute for African-American Research, Center for Digital Humanities, Jewish Studies Program, Brain Imaging Center, Center for Childhood Neurotherapeutics, and so on), organized a new *School of the Earth, Ocean and the Environment* of allied programs and a new School of Visual Art and Design to capitalize on the interdisciplinary strength. Stabilized external research grant funding at over \$42 million a year. Managed the college

through one of the worst economic downturns in the history of South Carolina. Led the A&S capital campaign and raised over \$100 million in private philanthropic support.

- **South Carolina House of Representatives** Resolution H.4367 – Recognition by legislature for ten years of exemplary service as dean (July 7, 2015)
