**Office Address**

Davis College  
1501 Greene Street, Room 203  
Columbia, SC 29008

---

**EDUCATION BACKGROUND**

- 1996      **Ph.D.**, Library and Information Studies, Texas Woman's University, Denton, TX  
Dissertation: Facilitating the Use of Information to Prevent Eating Disorders among  
Adult Women: A Content Analysis of Lay/Popular Literature.
- 1987      **M.L.I.S.**, Library and Information Science, Louisiana State University, Baton Rouge, LA
- 1984      **B.A.**, English, Soochow University, Taipei, Taiwan

**TEACHING AND PROFESSIONAL PROFILE**

- August 2009-  
Present      **Associate Professor (Tenured)**, University of South Carolina, School of Library  
and Information Science, Columbia SC.
- August 2003-July  
2009      **Assistant Professor (Tenure Track)**, University of South Carolina, School of  
Library and Information Science, Columbia SC.
- September 2000-  
August 2003      **Assistant Professor (Tenure Track)**, San José State University, School of  
Library and Information Science, San José, CA.
- September 1999-  
August 2000      **Visiting Assistant Professor**, The University of Iowa, School of Library and  
Information Science, Iowa City, IA.
- September 1998-  
July 1999      **Visiting Assistant Professor**, The University at Buffalo, State University of New  
York, School of Information and Library Studies, Buffalo, NY.
- September 1996-  
August 1998      **Visiting Assistant Professor**. The University of Iowa, School of Library and  
Information Science, Iowa City, IA.
- August 1992-  
August 1996      **Graduate Teaching Assistant/Graduate Research Assistant/Graduate  
Technology Assistant**, Texas Woman's University, School of Library and  
Information Studies, Denton, TX.

- November 1989-September 1992     **Associate Researcher (Reference/Serials Librarian)**, National Central Library (<http://enwww.ncl.edu.tw/>), Information and Computing Library Branch ([http://enwww.ncl.edu.tw/content\\_82.html](http://enwww.ncl.edu.tw/content_82.html)), Taipei, Taiwan.
- July 1989-November 1989     **Information Staff**, Chinese Petroleum Corporation, Chief Geologist's Office, Taipei, Taiwan.
- March 1988-July 1989     **International Exchange of Publications Librarian**, National Central Library, Bureau of International Exchange of Publications, Taipei, Taiwan.
- August 1987-December, 1987     **Graduate Assistant**, Louisiana State University. Original Cataloging Division in Technical Services Department, Middleton Library, Baton Rouge, LA.

## RESEARCH AREAS

- Evidence-Based Health Information Access
- Health Informatics
- Health Information Literacy
- Health Sciences Librarianship and Its Education
- Reference, Information, and Research Services

## GRANTS

- Roles of Public Libraries during A Natural Disaster: How Do Information, Technology and User Support Add Value to Communities*. Submitted with Dr. Samantha K. Hastings and Dr. Jingjing Liu to the the 2015 SC Floods Research Initiative, sponsored by the Office of the Vice President for Research, an internal funding to pursue research on October 2015 catastrophic flooding. A \$18,895 research grant. Awarded. \$17,000
- Twitter, scholarly communication, biomedical evidence dissemination, and professional health information access: How major biomedical journals have been using social media for promoting evidence-based practice*. Submitted to the 2012 Social Sciences Grants Program Sponsored by the USC Office of the Vice President for Academic Affairs and Provost. A \$19,960.10 research grant. Not funded.
- The 2011 MLA Grace and Harold Sewell Memorial Fund, Inc., stipend for the Participation of the 2011 American Public Health Association Annual Meeting & Exposition*. Submitted to the Medical Library Association Awarded. \$1,410

- Creation and evaluation of the SLIS virtual organization as a learning organization.* Submitted to the Social Sciences Grants Program Sponsored by the 2010 USC Office of the Vice President for Academic Affairs and Provost. A \$19,939 research grant. Not funded.
- Development of the research protocol for the evaluation of the SLIS virtual organization.* Submitted to the Faculty Development Stimulus Funds Sponsored by the College of Mass Communications and Information Studies in February 2010. Awarded \$6,250 (the equivalent of one course plus fringe benefits) in Summer 2010.
- The 2009 MLA Grace and Harold Sewell Memorial Fund, Inc., stipend for the Participation of the 2009 American Public Health Association Annual Meeting & Exposition.* Submitted to the Medical Library Association. Awarded \$1,000
- The Association of Southeastern Research Libraries (ASERL) Ask-A-Librarian (AAL) online chat reference extended service hours program from September 2007-May 2008: A research partnership.* Submitted to the Association of Southeastern Research Libraries (ASERL) in July 2007. Awarded \$30,000
- Knowledge management for evidence-based public health in South Carolina: An Integrated Advanced Information Management Systems (IAIMS) project.* Submitted to the National Library of Medicine (NLM) for an NLM Planning Grant for Integrated Advanced Information Management Systems (IAIMS, <http://www.nlm.nih.gov/archive//20101229/ep/GrantIAIMSPlan.html>) in May 2007. A \$150,000 research grant. Not funded.
- Consumer health information services in public libraries in South Carolina and California: An assessment of current status and education needs.* Submitted to the Laura Bush 21st Century Librarian Program–Priority 4: Research (Early Career Development) of the Institute of Museum and Library Services in December 2005. A \$301,725 research grant. Not funded.
- Information intermediary workshops and development of a cohort of respondents for evaluation and creation of direct-to-consumer workshops on consumer health information, with special emphasis on services to Spanish-speaking populations.* Submitted to the National Network of Libraries of Medicine Outreach Program in 2005. Awarded \$50,000
- Consumer health information services in public libraries in California and South Carolina: An assessment of current status and education needs.* Submitted to the Donald A. B. Lindberg Research Fellowship of the Medical Library Association in November 2003. A \$25,000 research grant. Not funded.
- Consumer health information services in public libraries in California and South Carolina: An assessment of current status and education needs.* Submitted to the Online Computer Library Center (OCLC)/Association for Library and Information Science Education (ALISE) Library and Information Science Research Grant Program in September 2003. Awarded \$15,000

*Assessing current consumer health information services provided in public libraries in the State of California and investigating issues related to the education of information professionals for consumer health services in public libraries: A research project.* Submitted to the California State University (CSU) Awards for Research, Scholarship or Creativity Committee in March 2001. Awarded \$4,206

*The Iowa CE Laptop Project: A prototype project funded by the Microsoft Corporation and the U.S. Department of Education.* Collaborative institutions are three Community School Districts in Iowa City, Cedar Rapids, and Monticello, Iowa; Grant Wood Area Education Agency; NTS Corporation; and Microsoft Corporation in 1999-2002. Awarded \$250,000

*Healthy women 2000: Creation of a digital women's health information center.* A Joint Effort Involving the National Laboratory for the Study of Rural Telemedicine, the College of Medicine, the School of Library and Information Science of The University of Iowa, and The University of Iowa Hospitals and Clinics (UIHC). Submitted to the National Science Foundation in July 1998. A \$828,149 research grant. Not funded.

## CONFERENCES AND PROGRAMS

### Refereed Conference Presentations:

#### 2017

**Tu-Keefner, F.,** Liu, J., & Hartnett, E. (2017). Public librarians and critical information services before, during, and after a catastrophic flood. Submitted to the 23rd Annual Reference Research Forum at the 2017 American Library Association Annual Conference, Chicago, IL, June 22-27, 2017.

**Tu-Keefner, F.** (2017). After the disaster: Lessons learned by public librarians in providing health information services following a catastrophic flood. Submitted to the 2017 Joint Conference of the International Congress of Medical Librarianship (ICML) and European Association for Health Information and Libraries (EAHIL), Dublin, Ireland, June 12-16, 2017 (Accepted for Oral Presentation).

**Tu-Keefner, F.,** Hasting, S. K., Liu, J., Copland, C., Dawson, R., Leach, D., ... Karami, A. (2017, January). Information services, technology, and community values in LIS research and education: What the 2015 catastrophic flooding in SC tells us--A panel presentation. Presented at the 2017 Association for Library and Information Science Education (ALISE) Annual Conference: Community Engagement & Social Responsibility, Atlanta GA, January 17-20, 2017 (Accepted for Panel Presentation, Acceptance Rate: 40%).

2016

**Tu-Keefner, F.** (2016, December). The value of public libraries during a major flooding: How digital resources can enhance health and disaster preparedness in local communities. Presented at the 18th International Conference on Asia-Pacific Digital Libraries (ICADL 2016), University of Tsukuba, Tsukuba, Ibaraki, Japan, December 7-9, 2016 (Accepted for Oral Presentation, Acceptance Rate: 61%).

**Tu-Keefner, F.** (2016, October). Health information needs and technology access during and after a disaster: How public and health sciences librarians can fill in the blanks together. Paper Presented at the 2016 Southern Chapter of the Medical Library Association Annual Meeting and Exhibition, Greenville, SC (Oral Presentation).

2014

**Tu-Keefner, F.** (2014, March). *Experiential learning, service learning, and web technology-enhanced library and information science education*. Paper presented at the International Conference on Business and Social Sciences, Tokyo, Japan, March 28-30, 2014 (Oral Presentation).

2013

**Tu-Keefner, F.** (2013, March). Twitter and evidence-based health information access on women's health: How major medical journals have been using social media for information dissemination. Paper presented at the International Symposium on Business and Social Sciences, Tokyo, Japan, March 15-17, 2013 (Oral Presentation).

2012

**Tu-Keefner, F.** (2012, November). Twitter and evidence-based health information access on women's health: How major medical journals have been using social media for information dissemination. Poster session presented at the 2012 Carolina Women's Health Research Forum, Columbia, SC, November 2, 2012 (Poster Presentation).

**Tu-Keefner, F.** (2012, October). Twitter, scholarly communication, and evidence-based health information access: How major medical journals have been using social media for information dissemination. Paper presented at the 2012 Quad Chapter (Mid-Atlantic, Southern, New York/New Jersey, and Philadelphia Regional Chapters) of the Medical Library Association Joint Meeting and Exhibition, Baltimore, MD, October 13-16, 2012 (Oral Presentation).

2010

**Tu, F.** (2010, November). *Electronic consumer health services, health consumerism, and personal privacy: A model in Second Life*. Paper presented at the 2010 Southern Chapter of the Medical Library Association Annual Meeting and Exhibition, St. Petersburg, FL, November. 12 - 16, 2010 (Oral Presentation).

**Tu, F.** (2010, October). Can Master's-level students in an LIS program provide effective professional virtual reference services in a virtual world?: A report of the SLIS/USC Second Life Project. Paper presented at the 2010 South Carolina Library Association Annual Conference, Myrtle Beach, SC, October 20-22, 2010 (Oral Presentation).

**Tu, F.** (2010, October). *Health consumerism, personal privacy, and digital consumer health communication: A model in Second Life for consumer health information services.* Paper presented at the 2010 Convergence and Society: Science, Health, and New Dimensions of Communication Conference, Columbia, SC, October 11-12, 2010 (Oral Presentation).

## 2009

**Tu, F.** (2009, January). *How a simulated library in the Second Life world enhances library and information science (LIS) education: An LIS education program study.* Paper presented at the 2009 Association for Library and Information Science Education Annual Conference, Denver, CO, January 20-23, 2009 (Oral Presentation).

**Tu, F., & Wright, A.** (2009, January). *Can Master's-level students in LIS programs provide effective professional virtual reference services (VRS)? A report of an LIS education program and ASERL collaborative initiative.* Paper presented at the 2009 Association for Library and Information Science Education Annual Conference, Denver, CO, January 20-23, 2009 (Oral Presentation).

**Brown, R. T., & Tu, F.** (2009, January). *Evaluating the use of Second Life by libraries and other information environments.* Paper presented at the 2009 Association for Library and Information Science Education Annual Conference, Denver, CO January 20-23, 2009 (Oral Presentation).

## 2008

**Tu, F., Smith, L. U., & Watkins, K.** (2008, October). Uses of virtual reality in professional education: An examination of collaborations between programs in library and information science and in public health education. Submitted to the 2008 South Chapter of the Medical Library Association Annual Meeting and Exhibition, Birmingham, AL, October 26-30, 2008 (Accepted for Oral Presentation).

**Tu, F.** (2008, October). How a simulated library in the Second Life World enhances health sciences librarianship education: An LIS education program study. Submitted to the 2008 South Chapter of the Medical Library Association Annual Meeting and Exhibition, Birmingham, AL, October 26-30, 2008 (Accepted for Oral Presentation).

**Tu, F., McLaughlin, P. L., Landau, M. F., & Keefner, P. R.** (2008, May). Connecting library and information science education with the virtual world. Paper presented at the MLA 2008: Medical Library Association Annual Meeting and Exhibition, Chicago, IL, May 16-21, 2008 (Oral Presentation).

2007

- Tu, F.** (2007, November). Investigating the use of evidence-based resources in public health practice in South Carolina: A preliminary report. Presented at the 2007 South Chapter of the Medical Library Association Annual Meeting and Exhibition, Charleston, SC, SC, November 12-16, 2007 (Oral Presentation).
- Tu, F., & Zimmerman, N. P.** (2007, January). Virtual reference services education in LIS curricula: Lessons from VRS practitioners: A juried paper. Paper presented at the 2007 Association for Library and Information Science Education Annual Conference, Seattle, WA, January 15-18, 2007 (Oral Presentation).

2006

- Tu, F.** (2006, October). Virtual reference services (VRS) and their integration into health science (HS) librarianship curricula. Paper presented at the 2006 Mid-Atlantic Chapter and Southern Chapter of the Medical Library Association Joint Meeting and Exhibition, Atlanta, GA, October 12-16, 2006 (Oral Presentation).

2005

- Tu, F., & Zimmerman, N. P.** (2005, November). Integration of virtual reference service (VRS) education for health sciences librarianship. Paper presented at the Virtual Reference Desk Conference 2005, Burlingame, CA, November 14-15, 2005 (Oral Presentation).

2004

- Tu, F., & Zimmerman, N. P.** (2004, November). The future is now: Revamping virtual reference service education for SLMSs and youth services librarians. Paper presented at the Virtual Reference Desk Conference 2004, Cincinnati, OH, November 8-9, 2004 (Oral Presentation).

2003

- Tu, F., & Zimmerman, N. P.** (2003, January). Not a future trend: Revamping LIS courses for virtual reference services education-A juried paper. Paper presented at the 2003 Association for Library and Information Science Education Annual Conference, Philadelphia, PA, January 21-24, 2003 (Oral Presentation).
- Tu, F.** (2003, January). Laptop ownership: What is its impact on information seeking and learning in upper elementary grades? -- A Report of the first-year research study of the Iowa Windows CE Laptop Project. Poster session presented at the Hawaii International Conference on Education, Honolulu, HI, January 7-10, 2003 (Poster Presentation).

2002

- Tu, F.**, & Sisson, L. (2002, November). Providing formal training in virtual reference services in the School of Library and Information Science at San José State University. Paper presented at the Virtual Reference Desk Conference 2002, Chicago, IL, November 11-12, 2002 (Oral Presentation).
- Tu, F.**, Zimmerman, N. P., & Jefferson, R. J. (2002, October). It's not just a matter of ethics III: Current status of the ethical provision of consumer health information services in public libraries in California and South Carolina—A Preliminary Report. Paper presented at the 2002 Ethics of Electronic Information in the 21<sup>st</sup> Century, a Scholarly Symposium, Memphis, TN, October 24-27, 2002 (Oral Presentation).
- Tu, F.** (2002, May). A usability study of the official web site of the Consumer and Patient Health Information Section of the Medical Library Association—A report. Poster session presented at the MLA 2002: Medical Library Association Annual Meeting and Exhibition, Dallas, TX, May 17-23, 2002 (Poster Presentation).
- Tu, F. (2002, January). A usability study of the official web site of the Consumer and Patient Health Information Section of the Medical Library Association—A preliminary report. Paper presented at the 2002 the Southern California and Arizona Medical Library Group and the Northern California and Nevada Medical Library Group Joint Meeting, Scottsdale, AZ, January 31-February 2, 2002 (Oral Presentation).

2001

- Zimmerman, N. P., & **Tu, F.** (2001, October). It's not just a matter of ethics II: An investigation of issues related to the education of information professionals for consumer health services in public libraries. Paper presented at the 2001 Ethics of Electronic Information in the 21<sup>st</sup> Century, a Scholarly Symposium, Memphis, TN, October 18-21, 2001 (Oral Presentation).

2000

- Tu, F.**, & Zimmerman, N. P. (2000, October). It is not just a matter of ethics: A survey of the provision of health disclaimers, caveats, and other health-related alerts in consumer health information on eating disorders on the Internet. Paper presented at the Ethics of Electronic Information in the 21<sup>st</sup> Century, a Scholarly Symposium, Memphis, TN, October 5-8, 2000 (Oral Presentation).
- Tu, F.**, & Donham, J. (2000, March). Laptop ownership: What is its impact on inquiry among upper elementary grades? An interim report. Paper presented at ICLT 2000, the International Conference on Learning with Technology, Philadelphia, PA, March 8-10, 2000 (Oral Presentation).

**Tu, F.** (2000, January). Do popular media and Internet resources facilitate health education and promotion regarding eating disorders?: A content analytical study of lay/popular health literature on eating disorders in print media and on the Internet. Poster session presented at the Partnerships for Health in the New Millennium: Launching Healthy People 2010, Washington, D.C., January 24-28, 2000 (Poster Presentation).

#### 1997

**Tu, F.** (1997, March). Lay/popular print media and its use in promoting prevention and control of eating disorders among adult women. Paper presented at the 1997 American Culture Association Convention, San Antonio, TX, March 26-29, 1997 (Oral Presentation).

#### 1996

**Tu, F.** (1996, June). Facilitating the use of information to prevent eating disorders among adult women: A content analysis of lay/popular literature. Poster session presented at the Current Topics in Health Sciences Librarianship, Baltimore, MD, June 24-27, 1996 (Poster Presentation).

**Tu, F.** (1996, March). Facilitating the use of information to prevent eating disorders among adult women: A content analysis of lay/popular literature. Paper presented at the Research Days 1996, Denton, TX, March 6-8, 1996 (Poster Presentation).

#### 1994

**Tu, F.** (1994, July). The history of art: An online tutorial, a study of the multimedia information system. Paper presented at the Information 2000: An Interdisciplinary Future, A Conference for Professionals and Students in the Information Professions, Denton, TX, July 14-15, 1994 (Oral Presentation).

#### 1993

**Tu, F.** (1993, September). AIDS information system. Paper presented at the 1993 Texas/Oklahoma Chapter of the American Society for Information Science and Seminar, Denton, TX, September 10, 1993 (Oral Presentation).

### **Invited Professional Presentations and Seminars:**

#### 2015

**Tu-Keefner, F.** (2015, May). The role of multiple literacies in today's ever-changing, high-tech society: The keynote speech. Paper Presented at the 3rd International Symposium on Education, Psychology and Social Sciences (ISEPSS 2015), Kyoto, Japan, May 7-9, 2015 (Oral Presentation as the Keynote Speech of the Conference).

2013

**Tu-Keefner, F.** (2013). Evidence-based health sciences resources and information services: A series of eight professional development webinars for the Woodruff Health Sciences Center Library, Emory University, October 8-December 3, 2013 (Oral Presentation as the Webinar Instructor).

2011

**Tu, F.** (2011, April). Virtual organizations and Second Life. Paper presented at the Medical University of South Carolina Tech Fair 2011, Charleston, SC, April 6, 2011(Oral Presentation).

2010

**Tu, F.** (2010, June). The Apple Tree Session on using web 2.0 for education: Second Life. Panel presentation at the Medical University of South Carolina The Apple Tree Session on Using Web 2.0 for Education, Charleston, SC, June 23, 2010 (Panel Presentation).

**Tu, F.** (2010, March). Medical databases workshop: A professional development program for the South University, Columbia Library, Columbia, SC, March 29, 2010 (Oral Presentation as the Instructor).

**Tu, F., & Hastings, S. K.** (2010, February). The SLIS/USC virtual community in Second Life: No fences, no boundaries!: A paper presentation at the Voyages into the Technology Frontier - Briefings from Faculty and Staff Who are on the Journey, A workshop sponsored by the Office of the Provost, University of South Carolina, February 24, 2010, (Oral Presentation).

2007

**Tu, F.** (2007, October). Virtual worlds and reference services. Paper presented at the SLIS Faculty Colloquium, Columbia, SC, October 25, 2007 (Panel Presentation).

2005

**Tu, F.** (2005, August). Instruction—Using web applications: 2005 Graduate Teaching/Instructional Assistant Workshops Sponsored by the University of South Carolina, Columbia, SC, August 10, 2005 (Oral Presentation as the Instructor).

**Tu, F.** (2005, March). Health sciences internship program in the School of Library and Information Science at the University of South Carolina. Paper presented at the 2005 Georgia Health Sciences Library Association Annual Meeting, Athens, GA, March 18, 2005 (Oral Presentation).

**Tu, F.** (2005, January). Virtual reference services and distance education: Issues related to training for professionals and user education. Paper presented at the South Carolina Partnership for Distance Education Council Meeting, Columbia, SC, January 25, 2005 (Oral Presentation).

2004

**Tu, F.** (2004, December). All about consumer health information reference and services: A SLIS/USC continuing education course, Columbia, SC, December 3, 2004 (Oral Presentation as the Instructor).

**Tu, F.** (2004, October). Breeze Live for focus groups: An Educational Administration Program technology workshop sponsored by the College of Education, USC, Columbia, SC, October 10, 2004 (Panel Presentation).

**Tu, F.** (2004, August). Instruction—Using web applications: 2004 Graduate Teaching/Instructional Assistant Workshops Sponsored by the University of South Carolina, Columbia, SC, August 11, 2004 (Oral Presentation as the Instructor).

**Tu, F.** (2004, March). All about virtual reference services: how the technology works and current service models: A SLIS/USC continuing education course, Columbia, SC, March 5, 2004 (Oral Presentation as the Instructor).

2003

**Tu, F.** (2003, December). All about Using NLM Resources on the Internet: PubMed and MEDLINEplus: A SLIS/USC continuing education course, Columbia, SC, December 5, 2003 (Oral Presentation as the Instructor).

2001

**Tu, F.** (2001, November). Medical informatics: Current concepts and future trends. Paper resented at the 2001 Northern California and Nevada Medical Library Group Meeting, Berkeley, CA, November 16, 2001 (Oral Presentation).

1998

Tu, F. (1998, January). International students: Curriculum and cultural expectations -- A panel. Panel presentation at the 1998 Association for Library and Information Science Education Annual Conference, New Orleans, LA, January 6-9, 1998 (Panel Presentation).

- Conferences Attended:

2016

Mosaic/Mosaique—Be part of the big picture/Faites partie du portrait global: A Joint Meeting for the MLA 2016: Medical Library Association Annual Meeting and Exhibition; and 9th International Clinical Librarian Conference

2014

MLA 2014: Medical Library Association Annual Meeting and Exhibition, Chicago, IL, May 16-21, 2014.

2013

2013 Health Informatics Career and Internship Fair, Charlotte, NC, October 11, 2013.

One Health–Information in an Interdependent World: A Joint Meeting for the MLA 2013: Medical Library Association Annual Meeting and Exhibition; 11th International Congress on Medical Librarianship; 7th International Conference of Animal Health Information Specialists; and 6th International Clinical Librarian Conference, Boston, MA, May 3-8, 2013.

2012

MLA 2012: Medical Library Association Annual Meeting and Exhibition, Seattle, WA, May 18-23, 2012.

2011

2011 American Public Health Association Annual Meeting and Exposition, Washington, DC, October 29-November 2, 2011.

Cure4Kids Global Summit 2011, St. Jude Children's Research Hospital, Memphis, TN, June 9-11, 2011.

MLA 2011: Medical Library Association Annual Meeting and Exhibition, Minneapolis, MN, May 12-18, 2011.

2011 Disaster Information Outreach Symposium, The U.S. National Library of Medicine, Washington, DC, March 29-30, 2011.

2010

MLA 2010: Medical Library Association Annual Meeting and Exhibition, Washington, DC, May 21-26, 2010.

2009

2009 American Public Health Association Annual Meeting and Exposition, Philadelphia, PA, November 9-11, 2009.

2007

MLA 2007: Medical Library Association Annual Meeting and Exhibition, Philadelphia, PA, May 18-23, 2007.

2006

MLA 2006: Medical Library Association Annual Meeting and Exhibition, Phoenix, AZ, May 19-24, 2006.

The International Symposium on Communicating Emerging Technologies: Biotechnology, Nanotechnology and Beyond. Columbia, SC, March 20-21, 2006.

2005

MLA 2005: Medical Library Association Annual Meeting and Exhibition, San Antonio, TX, May 14-19, 2005.

MLA Teleconference--Partnering for Public Health: Information, Librarians, and the Public Health Workforce, Columbia, SC, March 9, 2005.

2004

MLA 2004: Medical Library Association Annual Meeting and Exhibition, Washington, DC, May 21-26, 2004.

MLA Teleconference--Roles and Essential Skills for the Expert Searcher, Columbia, SC, March 10, 2004.

2003

MLA Teleconference--Reading between the Lines: Focusing on Health Information Literacy, Columbia, SC, September 10, 2003.

2001

MLA 2001: Medical Library Association Annual Meeting and Exhibition, Orlando, FL, May 25-30, 2001.

2000

AMIA 2000: American Medical Informatics Association Annual Conference, Los Angeles, CA, November 4-8, 2000.

## HONORS AND AWARDS

### External Awards:

- First place award for paper, *Twitter, scholarly communication, and evidence-based health information access: How major medical journals have been using social media for information dissemination* at the 2012 Quad Chapter (Mid-Atlantic, Southern, New York/New Jersey, and Philadelphia Regional Chapters) of the Medical Library Association Joint Meeting and Exhibition, Baltimore, MD, October 13-16, 2012
  - Bestower: Mid-Atlantic Chapter, New York & New Jersey Chapter, Philadelphia Regional Chapter, and Southern Chapter of the Medical Library Association (MLA)
- Inclusion in the 2009 Edition of *Who's Who in America* (2008)
- In capacity as LISSA faculty advisor, award for the 2008 ALA Student Chapter of the Year
- Finalist for the first *Library Journal* Teaching Award (2007)
- In capacity as LISSA faculty advisor, runner-up award for the 2007 ALA Student Chapter of the Year
- First place award for paper, *Virtual reference services and their integrations in health science librarianship curricula* at the 2006 Mid-Atlantic Chapter and Southern Chapter of the Medical Library Association Joint Meeting and Exhibition, Atlanta, GA, October 12–16, 2006
- Nomination for the 1998 Kathleen Gregory Klein Paper Award for excellence in feminism and popular culture research awarded annually by the Women's Caucus of Popular Culture Association/American Culture Association (PCA/APA), *Lay/popular print media and its use in promoting prevention and control of eating disorders among adult women* at the 1997 American Culture Association Convention, San Antonio, TX, March 26-29, 1997

### Internal Honors and Awards:

- Carolyn Delton Service Appreciation Award (2014)
  - Bestower: The Library and Information Science Student Association (LISSA)—The student association and student chapter group of the ALA and Special Libraries Association (SLA) of the School of Library and Information Science at the University of South Carolina
- Nomination by the School of Library and Information Science for the Michael J. Mungo Graduate Teaching Awards of the University of South Carolina (2009-2010)
- Nomination by the School of Library and Information Science for the Michael J. Mungo Graduate Teaching Awards of the University of South Carolina (2007-2008)

**REVIEW****Books:**

Digital Libraries. (2005). In *The Handbook of Information Security*, edited by Hossein Bidgoli. New York: John Wiley & Sons, Inc.

2005:

The Second Review: Digital Libraries. In *The Handbook of Information Security*, edited by Hossein Bidgoli. New York: John Wiley & Sons, Inc. (Published)

---

2004:

The First Review: Digital Libraries. In *The Handbook of Information Security*, edited by Hossein Bidgoli. New York: John Wiley & Sons, Inc. (Published)

Huber, J(effrey). T., ed. (1998). *HIV/AIDS Internet information sources and resources*. Binghamton, N.Y.: Harrington Park, also as a special issue of the journal *Health care on the Internet*, volume 2, numbers 2/3 1998. Review prepared for the publication.

**Journal Article Manuscripts:**

2016:

The First and Second Review: “No high like a brownie high”: A content analysis of edible marijuana tweets. *American Journal of Health Promotion*. Thousand Oaks, CA: SAGE.

Better to have many opinions than one from an expert? Social validation by one trustworthy source versus the masses in online health forums. *Patient Education and Counseling*. Oxford, UK: Elsevier B.V.

---

2015:

The First and Second Review: Piloting health text messages for rural low-income mothers: Effects of source similarity and simple action step. *Health Promotion Practice*. Washington, DC: Society for Public Health Education.

Challenges of clinical librarian project implementation in Iranian health systems: A qualitative study. *Health Information and Libraries Journal*. Oxford, UK: Blackwell.

---

2014:

Investigating graphic elements in medicines packages inserts and their usability for educated people. *Health Information and Libraries Journal*. Oxford, UK: Blackwell.

The Second, Third, Fourth, and Fifth Reviews: Open access perceptions and behaviour of health sciences faculty and roles of information professionals. *Health Information and Libraries Journal*. Oxford, UK: Blackwell.

---

2013:

A qualitative examination about providers’ perceptions and recommendations regarding the role of public librarians in addressing communities’ health literacy. *Health Promotion Practice*. Washington, DC: Society for Public Health Education.

Open access perceptions and behaviour of health sciences faculty and roles of information professionals. *Health Information and Libraries Journal*. Oxford, UK: Blackwell.

---

2012:

Promoting health sciences journal content with web 2.0: A snapshot in time. *First Monday*. Chicago, IL: The University of Illinois at Chicago University Library. (Pending)

Current status and needs assessment for continuing education of the 21st century medical librarians: A survey in Taiwan. *Health Information and Libraries Journal*. Oxford, UK: Blackwell.

The Second, Third, and Fourth Reviews: Where to search for information on the effectiveness of public health interventions—A case study for prevention of cardiovascular disease. *Health Information and Libraries Journal*. Oxford, UK: Blackwell. (In Press)

---

2011:

Lay understanding of common medical terminology in oncology. *Psycho-Oncology*. Oxford, UK: Blackwell.

Where to search for information on the effectiveness of public health interventions—A case study for prevention of cardiovascular disease. *Health Information and Libraries Journal*. Oxford, UK: Blackwell. (In Press)

Electronic health records: Saudi physicians' perspective. *Health Information and Libraries Journal*. Oxford, UK: Blackwell. (Pending)

---

2009:

Internet-based survey on medical manga in Japanese. *Health Information and Libraries Journal*. Oxford, UK: Blackwell.

Description and evaluation of disparities of Internet access and drug information seeking for HIV-positive people in a San Francisco clinic. *Health Information and Libraries Journal*. Oxford, UK: Blackwell.

Electronic resource access support service: Core competencies across two software platforms. *Journal of the Medical Library Association*. Chicago, IL: Medical Library Association. (Published)

A new approach to conducting manual literature searches for systematic reviews that is valid and efficient. *Health Information and Libraries Journal*. Oxford, UK: Blackwell. (Published)

Applying co-word cluster analysis in hot topics review of medical subject: A case study of Chinese herbal drugs research. *Health Information and Libraries Journal*. Oxford, UK: Blackwell.

---

2008:

Second Life: Exploring the immersive instructional venue for library and information science education. *Journal of Education for Library and Information Science*. Chicago, IL: Association for Library and Information Science Education. (Published)

Developing research capacity in health librarians. *Health Information and Libraries Journal*. Oxford, UK: Blackwell. (Published)

Previewing a manuscript for submission to *Health Information and Libraries Journal* for peer-review: “You’re a knowledge broker in public health. so what do you do all day?”

---

2007:

Beyond relevance and recall: Testing new user-centred measures of database performance. *Health Information and Libraries Journal*. Oxford, UK: Blackwell.

Accessing public health information: A preliminary comparison of CABI’s Global Health Database and MEDLINE. *Health Information and Libraries Journal*. Oxford, UK: Blackwell. (Published)

Levels of consciousness and awareness about evidence-based medicine among consultants in the tertiary health institutions in Nigeria. *Health Information and Libraries Journal*. Oxford, UK: Blackwell.

The Second and Third Reviews: Searching a biomedical bibliographic database from Bulgaria: The ABS database. *Health Information and Libraries Journal*. Oxford, UK: Blackwell. (Published)

---

2006:

Searching a biomedical bibliographic database from Bulgaria: The ABS database. *Health Information and Libraries Journal*. Oxford, UK: Blackwell. (Published)

Newspaper coverage of retractions. *Health Information and Libraries Journal*. Oxford, UK: Blackwell. (Published)

When medicine falls: Evaluating website quality and interpretation of uncertain diagnoses. *Health Information and Libraries Journal*. Oxford, UK: Blackwell.

---

2005:

The First, Second, and Third Reviews: The roles of “Review of New Foreign Titles on Medical Science” in the Library of the Chinese Academy of Medical Sciences. *Health Information and Libraries Journal*. Oxford, UK: Blackwell. (Published)

The First and Second Reviews: Health information in Italian public health web sites: Moving from inaccessibility to accessibility. *Health Information and Libraries Journal*. Oxford, UK: Blackwell. (Published)

---

2004:

Information needs of a managed clinical network: A preliminary study based on the West of Scotland Colorectal Cancer MCN. *Health Information and Libraries Journal*. Oxford, UK: Blackwell. (Published)

The value and impact of information provided through library services for patient care: A systematic review, *Health Information and Libraries Journal*. Oxford, UK: Blackwell. (Published)

The information needs of music therapists: Challenges of assessment in the clinical setting. *Health Information and Libraries Journal*. Oxford, UK: Blackwell.

---

2003:

A Survey of the information management and technology training needs of doctors in an acute NHS trust. *Health Information and Libraries Journal*. Oxford, UK: Blackwell. (Published)

## **SERVICE TO THE PROFESSIONAL COMMUNITY**

### **International:**

Judge for the Best Paper Award. *The 3rd Hong Kong International Conference on Education, Psychology and Society (2014 HKICEPS)*, Hong Kong, December 29-31, 2014.

Member. The International Conference Committee Board of the Higher Education Forum, 2014-

Judge for the Best Paper Award. *The Annual Symposium on Management and Social Sciences (ASMSS) 2014*, Seoul, South Korea, August 29-31, 2014.

Session Chair, the Communication & Culture Session. *The International Conference on Business and Social Sciences*, Tokyo, Japan, March 28-30, 2014.

Session Chair, the Communication & Culture Session. *The International Symposium on Business and Social Sciences*, Tokyo, Japan, March 15-17, 2013.

Editorial Advisory Board Member. *Health Information and Libraries Journal*, 2013-

Guest Reviewer. *Psycho-Oncology*, 2011.

HILJ Regional Associate Editor for North America. *Health Information and Libraries Journal*, Oxford, UK: Blackwell. August, 2006-December 2012.

Editorial Advisory Board Member. *Health Information and Libraries Journal*, August, 2003-2006.

English Announcer. *International Conference on New Horizons of Library and Information Professions*, Taipei, Taiwan, Republic of China, May 1991.

Conference Staff for Agenda Activities. In the *National Assembly of Library and Information Professions*, Taipei, Taiwan, Republic of China, February 1989.

Oral Translator. In the *International Conference on Resources of Chinese Studies*, Taipei, Taiwan, the Republic of China, December 1988.

Conference Staff for Agenda Activities. In the *Thirty-Sixth Annual Conference of the Library Association of China*, Taipei, Taiwan, Republic of China, November 15, 1988.

**National:**

Peer Reviewer. *American Journal of Health Promotion*, 2016.

Peer Reviewer. *Patient Education and Counseling*, 2016.

Peer Reviewer. *Health Promotion Practice*, 2013 and 2015.

Guest Reviewer. *First Monday*, 2012.

Guest Reviewer. *Journal of the Medical Library Association*, Chicago, IL: Medical Library Association, 2009.

Guest Reviewer. *Journal of Education for Library and Information Science*, Chicago, IL: Association for Library and Information Science Education, 2008.

Judge. The Library Research Round Table (LRRT) “Jesse H. Shera Award for Distinguished Published Research” and “Jesse H. Shera Award for the Support of Dissertation Research” of the American Library Association, 2006-2007.

Candidate. Being invited to run for the Councilor-at-Large of the American Library Association, 2005.

Reviewer. *The Handbook of Information Security*, edited by Hossein Bidgoli. New York: John Wiley & Sons, Inc., 2004-2005.

Committee Member. The Publications Committee of the Association for Library and Information Science Education, 2003-2005.

Committee Member. Information Technology Pathfinder Award Committee, American Association of School Librarians (AASL)/Follett Software, 2002-2003.

Candidate. Being invited to run for the Councilor-at-Large of the American Library Association, 2001, 2002, and 2003.

Primary Investigator. A usability study of the official web site of the Consumer and Patient Health Information Section (CAPHIS) of the Medical Library Association (MLA), 2001-2002.

**State and Regional:**

Committee Member. The Research Committee of the Southern Chapter of the Medical Library Association, 2015-2017.

Instructor. *Evidence-based Health Sciences Resources and Information Services: A Series of Eight Professional Development Workshops for the Woodruff Health Sciences Center Library, Emory University*, October 8-December 3, 2013.

Judge. The poster presentation research competition at the *2010 South Chapter of the Medical Library Association Annual Meeting and Exhibition*, November 12-16, 2010.

Committee Member. The Professional Development Committee of the Southern Chapter of the Medical Library Association, 2009-2012.

Committee Member. The Research Committee of the Southern Chapter of the Medical Library Association, 2009-2012.

Board Member. The South Carolina State Library Foundation Board, March 2009-September 2009.

Committee Member. The Outreach to Health Professionals Committee of the National Network of Libraries of Medicine (NN/LM) Southeastern/Atlantic (SE/A) Region, May 1, 2006 – April 30, 2011.

Moderator. The South Carolina State Library-Library Services and Technology Act (LSTA) grant Focus Group Sessions: Planning Meetings, Fall 2006-Spring 2007.

Committee Member. The Professional Development Committee for Southern Chapter of the Medical Library Association, 2005-2007.

Committee Member. The Research Committee of the Southern Chapter of the Medical Library Association, October, 2003-2005.

Chair. The Mentoring Task Force of the Northern California & Nevada Medical Library Group, September, 2002-January, 2003.

Program Presenter. *The Northern California and Nevada Medical Library Group Meeting*, the University of California, Berkeley, Berkeley, CA, November 16, 2001.

Reviewer. The committee to review the abstract submissions for the *2002 Southern California and Arizona Medical Library Group and Northern California and Nevada Medical Library Group Joint Meeting*, Scottsdale, AZ, January 31-February 2, 2002.

Project Evaluator. The Iowa CE Laptop Project. Project collaborative institutions: three Community School Districts in Iowa City, Cedar Rapids, and Monticello; Grant Wood Area Education Agency; NTS Corporation; and Microsoft Corporation, September 1999-September 2000.

Committee Member. The Continuing Education Committee, New York Library Association, October, 1999-October 2000.

**University of South Carolina:**

Member. Advisory Committee on Professional Development for Graduate Students of the USC Graduate School, Fall 2016-

Ad Hoc Reviewer. The Support to Promote Advancement of Research and Creativity (SPARC) Graduate Research Grant Program sponsored by the USC Office of the Vice President for Research, Fall 2014.

Ad Hoc Reviewer. The Support to Promote Advancement of Research and Creativity (SPARC) Graduate Research Grant Program sponsored by the USC Office of the Vice President for Research sponsored by the USC Office of the Vice President for Research, Fall 2013.

Committee Member. The Fellowships and Scholarships Committee of the USC Graduate Council, Fall 2009-Spring 2013.

Committee Member. The USC Provost's Advisory Committee on Women's Issues (PACWI), Fall 2009-Spring 2011.

Team Member. Life-long Learning Team for SACS Re-accreditation Visit in 2011, Spring 2007-Spring 2008.

Committee Member. The Faculty Advisory Committee for Graduate Student Day 2006 of the University of South Carolina, April 5, 2006.

Faculty Presenter. 2005 Graduate Teaching/Instructional Assistant Workshops of the University of South Carolina, August 10, 2005.

Faculty Judge. Graduate Student Day 2005 of the University of South Carolina, April 6, 2005.

Faculty Presenter. 2004 Graduate Teaching/Instructional Assistant Workshops of the University of South Carolina, August 11 2004.

Faculty Judge. Graduate Student Day 2004 of the University of South Carolina, April 7, 2004.

Project Consultant. Preservation Training Initiative for Small Libraries and Museums in South Carolina. An Institute of Museums and Library Services National Leadership Grant (\$250,000) developed by the Thomas Cooper Library Preservation Services Department, McKissick Museum, and College of Library and Information Science at the University of South Carolina, 2003-2004.

**College of Mass Communications and Information Studies/ College of Information and Communications:**

Committee Member. The Dean Bierbauer Review Committee, Fall 2011-Spring 2012.

Faculty Advisor. TheCure4Kids for Kids Global eHealth Challenge project, St. Jude Children's Research Hospital's International Outreach Program, Fall 2008-Spring 2011.

Note: In collaboration with Dr. Daniela Friedman with the Arnold School of Public Health, University of South Carolina

Committee Member. The Certificate of Graduate Study in Health Communication Program Committee (<http://sc.edu/healthcomm/certificate/index.html>), 2008-

Member. Science and Health Communications Group (<http://www.sc.edu/healthcomm/>; a campus-wide research initiative on health communication), Spring 2008-

Member. The Task Force for the Development of an Interdisciplinary Certificate of Graduate Study in Health Communication (<http://sc.edu/healthcomm/certificate/index.html>), 2006-2008.

Co-Chair. The Program Committee for the College of Mass Communications and Information Studies I-Comm Week 2007 at the University of South Carolina, April 16-19, 2007.

Co-Chair. The Program Committee for the College of Mass Communications and Information Studies I-Comm Week III, 2006 at the University of South Carolina, April 3-8, 2006.

Committee Member. The Committee for the Combined Searches for the Health/Science Communications and Risk Communications positions of the School of Journalism and Mass Communications, 2005.

Co-Chair. The Program Committee for the College of Mass Communications and Information Studies I-Comm Week II at the University of South Carolina, April 4-9, 2005.

Committee Member. The College of Mass Communications and Information Studies Newsplex Development Committee, 2004-2005.

Committee Member. The College of Mass Communications and Information Studies Ad-hoc Convergence Committee, Summer 2004.

**School of Library and Information Science, University of South Carolina:**

Chair. The SLIS Curriculum Committee, Fall 2016-Spring 2017.

Committee Member. The SLIS Information Technology and Resources Committee, Fall 2016-Spring 2017.

Chair. The SLIS Faculty Search Committee, Fall 2014-Spring 2015.

Committee Member. The SLIS Information Technology and Resources Committee, Fall 2014-Spring 2015.

Chair. The SLIS Curriculum Committee, Fall 2014-Spring 2015.

Committee Member. The SLIS Faculty Search Committee, Fall 2013-Spring 2014.

Co-Chair. The SLIS Curriculum Committee, Fall 2013-Spring 2014.

Committee Member. The SLIS SACS Ad Hoc Committee, Fall 2012-Fall 2013.

Co-Chair. The Development of the Program of Study (POS) for the “Information Services” Area of Interest for the SLIS National FastTrack Cohort program, Spring 2012.

Committee Member. The SLIS Faculty Search Committee, Spring 2012.

Chair. The SLIS Curriculum Committee, Fall 2009-Spring 2013.

Committee Member. The SLIS Faculty Search Committee, Fall 2009.

Committee Member. The SLIS Tenure and Promotion Committee, Fall 2009-

Member. The SLIS DE Task Force, Spring 2009-Spring 2012.

Committee Member. The SLIS Professional Service Committee, Fall 2009-Spring 2010.

The SLIS Academic Advisor. The Certificate of Graduate Study in Health Communication program (<http://sc.edu/healthcomm/certificate/index.html>; an interdisciplinary certificate administered jointly by the Arnold School of Public Health and the College of Mass Communications and Information Studies), 2008-

Faculty Advisor and Team Leader. The Creation of the SLIS Davis 2.0 Virtual Center in Second Life Project, 2007-Spring, 2012.

Co-Chair. The Program Committee for the School of Library and Information Science I-Comm Week 2007 at the University of South Carolina, April 16-19, 2007.

Committee Member. The SLIS Student Services Committee, 2006-2007.

Co-Chair. The Program Committee for the School of Library and Information Science I-Comm Week III, 2006 at the University of South Carolina, April 3-8, 2006.

Faculty Supervisor. The SLIS Student Poster Session for the College of Mass Communications and Information Studies I-Comm Week II at the University of South Carolina, April 4-9, 2005.

Faculty Supervisor. The SLIS Student Poster Session for the College of Mass Communications and Information Studies I-Comm Week at the University of South Carolina, March 29 – April 3, 2004.

Faculty Advisor. The Library and Information Science Student Association (LISSA)—The student association and student chapter group of the ALA and Special Libraries Association (SLA) of the School of Library and Information Science at the University of South Carolina, Fall 2003-Spring 2013.

Project Leader. Partnership with Tutor.com and Library Systems & Services, LLC (LSSI) in order to integrate the LSSI system into the curriculum of the School of Library and Information Science at the University of South Carolina, August, 2003-December, 2006.

#### **San José State University:**

Project Leader. Partnership with QandACafe (a live free reference service of cooperating libraries in 14 California counties) and Library Systems & Services (LSSI) in order to integrate the LSSI system into the curriculum of the School of Library and Information Science at the San José State University and create a practicum program in the QandACafe, September, 2002-August, 2003.

#### **University of Buffalo:**

Team Member of the Education Information Resources Planning Team. Western New York IAIMS (Integrated Advanced Information Management Systems) Project, February-July, 1999.

#### University of Iowa:

Faculty Supervisor. Student Poster Session for the School of Library and Information Science Open House Day at The University of Iowa, April 24, 1998.

Project Coordinator. Creation of the World-Wide Web Presentations for the Curriculum Resources Laboratory of the College of Education at The University of Iowa. Project Collaborators: Ms. Paula Brandt, Coordinator, the Curriculum Resources Laboratory of the College of Education at The University of Iowa and Mr. Brett Cloyd, Graduate Student, School of Library and Information Science at The University of Iowa, 1997.

**LANGUAGE PROFICIENCY**

Native Language: Chinese Standard (Mandarin)

Proficient: English

Proficient: Japanese
