

Subject: Human Subjects Review
Policy Number: H10
Date: April 25, 2003
Revised: December 15, 2008

POLICY:

The University adheres to all laws, regulations and ethical principles applicable to the protection of human subjects in research. All projects involving human subjects must be approved by the University's Institution Review Board (IRB), or in the case of exempt research, its designee as outlined in RSCH 1.03 in the University's Policies and Procedures Manual.

PROCEDURE:

The principles and procedures guiding this policy are promulgated by the Office of Research Compliance (ORC). It is the responsibility of the principal investigator to submit all required information to the IRB. Request for information, IRB application materials, and other assistance should be directed to the ORC.
