

Subject: Partnership Board
Policy Number: P10
Date: April 25, 2003
Revised: December 15, 2008

POLICY:

The Partnership Board will assist the Director in educating the University community, legislators, community leaders and the public at large on the School's accomplishments and its role in the information age.

PROCEDURE:

The Board will advise the Director on current issues and concerns and undertake special assignments and reports when requested, assist in raising funds for the School, enhance the image and visibility of the School at the community, state and national levels, and with prospective students, and assist in promoting the mission and objectives of the School with leaders in the public and private sectors. Details on the Partnership Board can be obtained through the Director's office.
