

Subject: Student Representatives to Committees

Policy Number: A1.30

Date: 8/23/96

Revised: 11/17/17

---

**POLICY**

It is the policy of the School to include student representation on all standing committees except those related to personnel or individual student matters.

Students shall have full voting rights within the committees except regarding individual student issues.

**PROCEDURE**

Each fall or as often as necessary, the chairperson of appropriate committees will recruit at least one student to serve on the committee. Student committee members will submit a Confidentiality Agreement to the Student Services Office when they join a committee. Students are responsible for reaching out to peers for input and reporting feedback.
