

Senior Jake Fetchen listens to Coach Jamel Smith after the Warriors lost to Berkeley, 43-14, Oct. 4. "Football is kinda like life, like you don't know what times you're gonna be up and what times you're gonna be down, but what you do know is that there will be ups and downs just like life," Fetchen said. "So, between one week to the next you don't know whether it's gonna be a great week for you or it's gonna be the worst week you've ever had, so that's really exemplified in that picture". Wando won the next game Oct. 11 against Stratford, 15-7, and Fetchen had a fumble recovery.

Q|A

Junior
Caroline Condon
Girls Varsity Cross Country

How long have you been running cross country?

"Since I was a freshman, so 2017."

How did you get into running?

"My dad ran in high school and college, and he liked suggested it one day. I really liked it. So I started running."

How does running make you feel?

"It makes you feel really good. Like if you do well in a workout or do well in a run. You kinda get a runner's high. It's fun."

How does it feel to be captain as a junior?

"It means a lot. It's really nice that my coaches decided to pick me. It's a good honor and I like leading the team and being a leader for the girls."

On average, how many miles a day do you think you run?

"I would say we average like five miles a day."

Do you ever run by yourself?

"If it's the offseason, then I train five or six days a week. Then I have a day off."

What do you think other people should know about cross country?

"That it's honestly really fun and that it's a great team sport. You get close to everyone by suffering though workouts together."

What are your future plans for cross country?

"I honestly don't want to run in college because I want to have a normal college experience. I will still run, just not for a school or anything."
