00:00-00:13	Horror films are a Halloween staple...and watching horror films is my main hobby. It's finally that time of year again where my main hobby can be seen as socially acceptable. I'm Anders Engelby and I'm going to give you some great movie recommendations for this Halloween	On Cam

00:19-00:36	To start my list of recommendations is <i>Halloween Kills</i> . A direct sequel to <i>Halloween 2018</i> , <i>Halloween Kills</i> follows the women of the Strode family as they track down Michael Myers once again. While they do that, Michael continues his Halloween night murder rampage on Haddonfield. You can see <i>Halloween Kills</i> right now in theaters.	00:19-00:20 On Cam 00:20-00:36 - B-Roll <i>Halloween Kills</i> Movie
00:36-00:55	What's the most horrifying thing a teenager can think of? Puberty! <i>Ginger Snaps</i> is a movie that puts puberty, werewolves, and 2000s grunge culture together in a blender. After an outcast is attacked by a mysterious beast, her sister notices a lot of changes in both her behavior... and appearance. You can watch <i>Ginger Snaps</i> on Shudder or for free with ads on Tubi.	00:36-00:39 On Cam 00:39-00:45 - B-Roll <i>Ginger Snaps</i> 00:45-00:48 On Cam 00:48-00:51 - B-Roll <i>Ginger Snaps</i> 00:51-00:55 On Cam
00:55-01:18	My next recommendation is <i>Pumpkinhead</i> from 1988. This favorite of horror fans tells the story of a father who seeks revenge on a group of teenagers. Instead of going after them directly, he decides to go to a witch and	00:55-01:15 - B-Roll <i>Pumpkinhead</i> 01:15-01:18 On

01:18-01:37	<p>If you're looking for a movie that will simultaneously make you laugh and make you spooked, <i>Ready or Not</i> is a great choice. When Grace marries the love of her life, she discovers that her husband's family has some strange wedding traditions. Will love conquer all? Or will Grace survive the night? You can watch <i>Ready or Not</i> by renting it on most streaming platforms.</p>	<p>01:18-01:37 - B-Roll <i>Ready or Not</i></p>
01:37-02:07	<p>My last recommendation is a cult classic Italian film from 1977, <i>Suspria</i>. Directed by the master of Giallo, Dario Argento, <i>Suspria</i> follows an exchange student named Suzy as she arrives in Germany to attend ballet school. After multiple strange occurrences, Suzy investigates farther than she should and unlocks the secrets of the school's success. While this film isn't the most outwardly scary, Argento uses color and music to create a beautiful, but terrifying psychological experience. You can watch <i>Suspria</i> for free with ads on Tubi.</p>	<p>01:37-01:41 On Cam</p> <p>01:41-01:42 - B-Roll <i>Suspria</i></p> <p>01:42-01:46 On Cam</p> <p>01:46-02:07 - B-Roll <i>Suspria</i></p>
02:07-02:26	<p>That's all for my list! Just keep in mind that all of the movies listed are rated R. If you're over 17, please use discretion. If you're under 17, you should get permission from your parents to watch these! I hope I was able to help you find a new favorite Halloween movie. Reporting for ECSN, my name is Anders Engelby, and have a Happy Halloween!</p>	<p>02:07-02:26 On Cam</p>
