SECTION 1 – APPLICATION PROCESS FOR INITIAL CERTIFICATION AT THE ADVANCED LEVEL

This process is for all applicants who are NOT currently certified in South Carolina as an educator

UNIVERSITY OF South Carolina
OVERVIEW OF APPLICATION PROCESS

The following items must be completed by November 1\textsuperscript{st}, 2019 if your first enrollment of SLIS 794 is Spring 2020 or by April 15\textsuperscript{th}, 2020 if your first enrollment of SLIS 794 is Fall 2020.

• Complete the online certification application submitted to the SC Department of Education
• Pay $105 certification application fee to the SC Department of Education
• Complete the fingerprinting/background check process outlined by the SC Department of Education
• Check your SCDE status to ensure you are cleared for final internship
• Complete the Recommendation for Certification form – submit directly to Lauren Sanborn
You must submit this application before doing any other step in this process.

- Start by going to the SCDE’s website at [www.ed.sc.gov](http://www.ed.sc.gov) and under the “Educators” tab, select “Apply for Certification”. Then select “Apply for Clearance” under the Student Teaching Clearance box (or just click [here](http://www.ed.sc.gov)). Review the information on this page, click “Application for Student Teaching Approval and Initial Certification” and access the CATS portal. You will need to create an account to do this.

- Once you are logged in, select “Apply”. You must select “Student Teaching” as the type of certification you are applying for even though your program does not have a true student teaching semester. For the student teaching semester, select your second semester of SLIS 794.

- Because this application is used for a variety of circumstances, some questions on the application may be confusing. Please see the next slide for tips regarding the application.
TIPS FOR COMPLETING THE ONLINE APPLICATION

• Use Google Chrome for the internet browser.

• On the 2nd page of the application, you are asked to select the highest class level of education achieved. Indicate Masters plus 30 even though you haven’t earned the degree yet.

• On the same page, for endorsements added, select R2S requirement.

• For section 1 – Personal Information, indicate your most permanent address.

• For section 2 – Existing Certificates, in most cases, students should select no for all 3 questions. If you’re unsure how to respond, contact Lauren Sanborn.

• For section 3 – Program Details, indicate you are enrolled in a regionally accredited teaching program and indicate “no” for having completed an approved program.

• For section 4 – Tests and Exams, only include the Praxis II exam. In most cases, at the time of applying, candidates have not taken this exam and can skip this section.

• For section 5 – Education History, use your anticipated graduation date in the “attended to” box.

• For section 6 – Work Experience, in most cases, students should indicate zero years of teaching experience. If you’re unsure how to respond, contact Lauren Sanborn.

• For section 7 – Background Check, it’s best to put more information than not enough. If you are unsure how to respond, contact Lauren Sanborn.

If you have any questions regarding how to respond to a question on the application, please email Lauren Sanborn at brownlw@mailbox.sc.edu.
APPLICATION FEE

The application fee is $105 and is submitted directly to the SC Department of Education (SCDE). The application fee covers the cost of the application and issuance of your certificate. All payments to the SCDE are non-refundable.

You can pay this online in the CATS system after completing the certification application or you can mail a check directly to the SCDE. If you opt to mail a check, make the check out to the SC Department of Education and mail it to:

SC Department of Education
Office of Educator Services
8301 Parklane Road
Columbia, SC 29223
You must complete and submit the online certification application before starting the fingerprinting process.

- General information can be found here, but specific instructions will only be available in the CATS system after you have submitted your certification application.
- The cost for the fingerprinting process is approximately $51.75.
- When you are able to view specific instructions, follow the instructions for South Carolina Residents, even if the university does not consider you to be a SC resident. Only students completing an online program and currently living outside of SC should complete the fingerprinting process for Out-Of-State Residents.
- You must check your SCDE status (see next slide) to ensure the SCDE has received your FBI and SLED background checks within 30 days of completing the fingerprinting process. Failure to do so could result in repeating this process and repaying the fingerprinting fee.
- FBI and SLED background checks are good for 18 months.
CHECKING YOUR SC DEPT. OF EDUCATION STATUS

Approximately 1 week after completing the fingerprinting process, check your SC Department of Education status. Right now, click [here](#) to check your status. In the future (date not yet determined), your SCDE status will only be available through the CATS portal.

You should see “Student Teaching Status: Cleared” in red. If you do not, email Lauren Sanborn for next steps. Please include a screen shot of your status.
