

AID Upstate

Web address: <http://www.aidupstate.org/>

Street Address: 13 S Calhoun Street, Greenville, SC 29601

Contact information: Phone: 864-250-0607

Mission: AID Upstate empowers people living with HIV/AIDS and encourages active community responses through advocacy, direct services prevention and awareness.

Geographic area covered: Anderson, Oconee, Pickens, and Greenville Counties.

Services Provided: AID Upstate is the only provider of comprehensive HIV care and prevention services in the service area (Greenville, Anderson, Pickens and Oconee Counties). Care services include medical case management, referrals/payment for medical care, health insurance and copayment costs, food pantry, transportation, pharmaceutical assistance, mental health, addictions counseling, short-term rent, mortgage, utilities, long-term housing, adherence and treatment education, and risk reduction counseling. Partnerships include New Horizon Family Health Services, a federally qualified health center (FQHC) and a Ryan White Part C provider, the Phoenix Center (alcohol and other drug abuse treatment center) and AnMed. Prevention services have been provided for over 16 years and currently include HIV counseling and testing, internet and other social media outreach, and approved behavioral modification interventions.

AID Upstate (AU) provides services to individuals regardless of race, ethnicity, religion, gender, sexual orientation, or other individual characteristics. A diverse staff is employed to relate to clients served including case manager and prevention coordinator fluent in Spanish (English/Spanish).
