Teen-Specific Services

Teen Outreach Program (TOP)

- A science-based curriculum with proven outcomes to reduce teen pregnancy and school dropout.

Girl Power / Girls Circle

- An empowerment program for girls structured support group for girls from 9-18 years, integrates relational theory, resiliency practices, and skills training in a specific format designed to increase positive connection, personal and collective strengths, and competence in girls. It aims to counteract social and interpersonal forces that impede girls' growth and development by promoting an emotionally safe setting and structure within which girls can develop caring relationships and use authentic voices.

The Council

- The Council is a strengths-based group approach to promote boys' and young men's safe and healthy passage through pre-teen and adolescent years.

Points of Light Youth Leadership Institute (PYLI)

- A nationally recognized teen leadership program.

Baby Think it Over

- Baby simulators used to teach the vast responsibilities involved in caring for a baby.

Empathy Belly

- A pregnancy simulator and curriculum covering the development of the fetus, and physical changes of expectant mothers. Also covers the financial costs of having a baby, life goals etc.

FRC Teen Advisory Board (TAB)

- Kershaw County Teens 13-19 apply to work as a volunteer advisory board member of FRC. These teens will assist with and have an opportunity to give input on decisions regarding all teen pregnancy prevention programs including, events, projects, newsletters, the teen website, etc.

Teen LINK

- FRC's Teen website for accurate information, links to statewide and national teen pregnancy prevention program
