Medicaid/Healthy Connections is South Carolina's aid program by which the federal and state governments share the cost of providing medical care for needy persons who have low income. Many groups of people can be covered by Healthy Connections. Eligibility is determined by several factors, which may include your age; whether you are pregnant, have a disability; income and assets; and whether you are a U.S. citizen or a qualified alien.

If you or someone in your family needs health care, you should apply for Healthy Connections coverage even if you are unsure of your eligibility.

To apply for Healthy Connections, you will need to complete and submit an application. You may apply online at apply.scdhhs.gov. SC Thrive is available to assist you with the online Healthy Connections application and can provide an assessment of your household's most likely health coverage options. Please contact their help line at (800) 726-8774 or visit them online at scthrive.org if you have questions or need assistance.

You may also apply in person at your local county office or contact our main customer service line at (888) 549-0820. In addition, you may apply in person at federally qualified rural health centers and at most hospitals. TTY: 888-842-3620

If you are a pregnant woman, you may be able to receive medical care while you wait for your application to be processed. Please contact Healthy Connections at (888) 549-0820 for more information.

Before you apply, you will need to know the following for all the people in your household:

- Date of birth
