Online trainings:

The NCAC Virtual Training Center (VTC) offers a wide range of FREE online training opportunities for child abuse professionals. NCACvtc includes live and archived Webinars and Recorded Trainings.

- Free Webinars – Live webinars, presented by subject matter experts on a wide variety of child maltreatment topics include a question and answer period at the end of the presentation. Webinars address emerging issues and feature topics that support the adoption of evidence-based practices. Sessions last about one hour. Live webinars are recorded and archived on our website so anyone can access them later at their convenience.
- Free Recorded Trainings are video-recorded training sessions synched with a PowerPoint Presentation. With more than 40 courses to choose from, these sessions feature some of the most respected names in the field as faculty. The Recorded Trainings range in length from 1 hour to 3 ½ hours. Certificates of completion are offered for these trainings.
