Services Provided:

South Carolina Legal Services (SCLS) provides free legal assistance in a wide variety of civil (non-criminal) legal matters to eligible low income residents of South Carolina. SCLS is a non-profit corporation, funded by grants from the federally funded Legal Services Corporation, the South Carolina Bar Foundation, local United Ways, state court filing fees, and other federal, state and local funding. SCLS also has a library of publications providing information for common legal issues and recommendations for action. Click on Publications to review a listing of available topics and materials or to request one of the publications to be sent to you.
