Mission: The mission of the Children’s Advocacy Center of Spartanburg, Inc. is to facilitate a collaborative, child-focused approach for the effective prevention, detection, investigation, treatment and prosecution of child abuse.

Geographic area covered: Spartanburg, Cherokee and Union Counties

Services Provided:

Forensic Assessments
- A child-friendly and non-leading interview essential in obtaining age-appropriate information when a child may have experienced sexual abuse, physical abuse, or witnessed a violent crime.

Medical Examinations
- Physical examinations that identify immediate and ongoing needs of each child, whether incurred by the alleged abuse or otherwise

Therapy
- Counseling to heal the child’s specific trauma and overcome wounds (that have the potential to be lasting and destructive if left untreated)

Family Counseling and Support
- Counseling to help non-offending caregivers understand and effectively respond to their child’s feelings and behaviors throughout the healing process; victim advocacy services to help shepherd children and families through the child welfare system

Multidisciplinary Team Meetings
- A multidisciplinary response, including law enforcement, prosecutors, medical professionals, therapists, DSS personnel, Guardian ad Litem, etc., to determine the best interest and needs of each child
