

## I. INTRODUCTION

### **Mission Statement**

The mission of the University of South Carolina School of Law is to provide students, through an in-depth legal education, with a foundation upon which they can build successful careers in the practice of law and public service; to contribute to the development of the law and legal theory through significant faculty scholarship on issues of state, national and international importance; and to advance the administration of justice through service to the legal profession, the state and the nation.
