# Graduation Requirements

## I. Total Credit Hours

Students must complete at least 90 credit hours with either a grade of “D” or better or an “S”. Notwithstanding the foregoing, students must earn a grade of “C” or better in Professional Responsibility or Problems in Professional Responsibility. Students must also earn a grade of “C”, or “S” if taken pass/fail, in a course that satisfies the writing requirement and a course that satisfies the experiential requirement.

## II. Residency Requirement

Students must register for a minimum of 12 credit hours per semester of law schoolwork (including non-law school courses accepted for law school credit) to satisfy the residency requirement. To graduate, students must complete 6 semesters of law school residence, 4 of which must be completed at the University of South Carolina School of Law. Note that merely satisfying the 12 credit-hour residency requirement in each semester of a student's second and third years will not satisfy the 90 total credit hours required for graduation. Note further that by attending two summer sessions and registering for a minimum of 6 credit hours each session, a student can obtain one semester of residency. Although credit hours earned during Maymester can be included in determining the minimum 6 credit hours per summer session requirement; to receive residency credit, a student must complete at least one course during both regular 7-week summer sessions.

## III. Required Upper-Level Courses

Students must successfully complete the following upper-level courses:

- **Problems in Professional Responsibility** (3 credit hours) **or**  
**Professional Responsibility** (2 credit hours) with a grade of “C” or better
- **A Perspective Course**
- **A Writing Requirement** with a grade of “C” or better, or “S” if taken pass/fail
- **Six (6) credit hours of Experiential Courses** with a grade of “C” or better, or “S” if taken pass/fail

## IV. Perspective Requirement

During the academic year, the Law School will offer the following Perspective Courses:

### Fall 2025 Semester

- Coastal Law
- Data Privacy
- Disability Law in the Workplace
- International Criminal Law
- International Environmental Law
- International Intellectual Property
- Public International Law
- Reproductive Rights and Justice Seminar
- The Reconstruction Constitution
- Transportation Law

## V. The Writing Requirement

To satisfy the writing requirement, a student must complete a substantial legal research project that meets the requirements below. A course taken to fulfill the writing requirement cannot fulfill the graduation experiential course requirement.

To satisfy the writing requirement a paper must:

1.
  - a. Be in the form of a law review article, brief, or legal memorandum.
  - b. Be prepared under the supervision of a member of the faculty. The supervision requirement may be satisfied by:
    - i. taking a course with not more than 20 students in which all students are required to write a paper complying with the writing requirement (identified in the registration materials as a "writing seminar"); or
    - ii. through independent research supervised by a faculty member. No faculty member shall supervise more than five papers in any semester.
  - c. Be submitted in final written form of approximately 30 to 50 pages in length, after the submission of an outline and draft that have been critiqued by the course instructor.
  - d. When graded, receive a grade of at least a C. If written under a pass/fail election, receive a grade of S. Note that under a pass/fail election, a grade of C or higher is recorded as an S, and a grade lower than a C is recorded as a U.
  - e.

A brief submitted in a moot court competition can satisfy the writing requirement if: (1) an outline and a draft of the brief have been critiqued and approved by a supervising faculty member; and (2) the student contributes at least 30 pages to the brief. If the rules of the competition in which the brief was submitted preclude faculty involvement, the student must revise the brief to the satisfaction of the supervising faculty member after it has been submitted to the competition. This revision can include an outline and a preliminary draft. If a student's contribution to the brief is less than 30 pages, the student may satisfy the page requirement by submitting a supplemental memorandum.

A note submitted to a law journal by a member of that journal can satisfy the writing requirement if it meets the requirements of § III.C.4.a and the student does not receive degree credit for the note under §IV.E.1.

- a. The Curriculum Committee is authorized to approve on a case-by-case basis other Faculty proposals for satisfying the writing requirement, such as a series of shorter memoranda, problems, or drafting exercises. The Committee will approve only those proposals involving as much legal writing, in any appropriate form, as does the traditional 30-50- page paper.

b.

**Deadline for completion of the writing requirement. Unless the paper is written in a course that a student takes in their final semester, May graduates must submit their papers in final form by January 15, and December graduates must submit their papers in final form by September 1. Graduates may not satisfy the writing requirement with Supervised Legal Research in their last semester.**

The following Writing Seminars and courses approved for satisfaction of the writing requirement will be offered in the academic year. Courses marked with an asterisk (\*) may satisfy the writing requirement with permission of the instructor.

**Fall 2025 Semester**

- ADR in Employment Law Workshop (**either writing requirement or experiential, but not both**)
- Advanced Legal Writing (**either writing requirement or experiential, but not both**)
- **3-hour** Disability Law in the Workplace (**3-hour option**)\*
- International Environmental Law (**3 -option**)\*
- Legal Research, Analysis and Writing III (**either writing requirement or experiential, but not both**)
- Reproductive Rights and Justice (**3 hour option**)\*
- 
- The Reconstruction Constitution (**3-hour option**)\*

**Note** that even if a student earns a grade of “C” or better in a Writing Seminar or a course approved by the Curriculum Committee, the professor may refuse to certify that the student’s paper has satisfied the Writing Requirement if the paper is deficient.

## **VI. The Experiential Courses Requirement**

Each law student must successfully complete at least six (6) credit hours of Experiential Courses, with a grade of “C” or better or a grade of “S” in a pass/fail course, in order to graduate. The following courses have been designated by the faculty as the only courses that can be taken to satisfy the Experiential graduation requirement.

**Fall 2025 Semester**

- ADR in Employment Law Workshop (**either writing requirement or experiential, but not both**)
- Advanced Legal Writing (**either writing requirement or experiential, but not both**)
- Appellate Advocacy
- Carolina Health Advocacy Medicolegal Partnership Clinic (CHAMPS)
- Domestic Violence Clinic
- Drafting Business Agreements
- Education Rights Clinic
- Estate Planning
- Family and Small Business Law Externship
- In-House Counsel Externship
- Interviewing, Counseling, and Negotiation
- Judicial Externship
- Low-Income Tax Clinic
- Public Interest Law Externship
- South Carolina Criminal Law and Procedure
- Trial Advocacy

# The Registration Process

## I. Dates and Times for SSC Registration

Except for the Client-Contact Clinics, Externships courses listed with permission of instructor notation, Supervised Legal Research, Mock Trial and Moot Court Competitions, Capstone Courses and Editorial Positions, registration will be via Self Service Carolina (SSC). See Section IV for the procedures to register for Client-Contact Clinics. See Section VII for the procedures for registering for Supervised Legal Research, Moot Court and Mock Trial Competitions, and Editorial Positions.

**Rising Third-year students will register on Friday, March 21, 2025, at 1:00 p.m. Rising Second-year students will register on Monday, March 24<sup>th</sup>, 2025, at 12:40 p.m.** To register using SSC, you will need (1) your Network Username and password and (2) the course reference numbers (CRN) for the courses in which you wish to register. The CRNs for Law School courses are set forth in the Alphabetical Listing of Courses. Students have the option of creating a shopping cart of courses in lieu of individually entering CRN numbers during registration.

## II. Progression-Entry Courses and Block Pre-registration

There is one required upper-level course, which must be completed prior to graduation: Problems in Professional Responsibility. There are five other courses that are designated as Progression-Entry Courses. These courses are Business Associations; Criminal Procedure; Evidence; Income Tax; and Wills, Trusts & Estates. Each of these courses is a prerequisite for other courses in their subject areas and must be taken in the second year if you wish to take certain other courses in the subject progression during your third year. **Problems in Professional Responsibility is the only Progression-Entry Course required for graduation.**

For all these courses, rising 2L students will be given registration priority over rising 3Ls. Rising 3Ls will not be permitted to register for these courses until 1:20 p.m. on Monday, March 24<sup>th</sup>, 2025, subject to available space in the course.

### Block Pre-registration

Block pre-registration is being used in the 2025-2026 academic year for Problems in Professional Responsibility, Business Associations, Criminal Procedure, Evidence, and Wills, Trusts and estates. Block pre-registration is designed to ensure that every rising 2L student has an opportunity to take Problems in Professional Responsibility and the progression-entry courses. Under the block pre-registration system, the rising 2L class has been divided into three blocked sections for the full academic year. Students in each blocked section will be pre-registered for specified sections of Problems in Professional Responsibility, Business Associations, Criminal Procedure, Evidence, and Wills, Trusts & Estates. A rising 2L may elect to drop one or more of the pre-registered courses for which the student was assigned before registration. Rising 2Ls may also drop and/or enroll in another section if space is available at their scheduled registration time. Rising 2Ls who elect not to

take the required course at the blocked time should keep in mind that they will be permitted to register for the course as a 3L only if space permits after 2L registration.

#### Progression-Entry Course

The five Progression-Entry Courses – Business Associations, Criminal Procedure, Evidence, Income Tax, and Wills, Trusts & Estates. Income Tax is not subject to block registration. 2Ls, however, do retain registration priority. Rising 2Ls, however, do retain registration priority. Rising 3Ls may not register for these courses until 1:20 p.m. on Monday, March 24<sup>th</sup>, 2025, after rising 2L students have had an opportunity to register.

### **III. Third-Year Students: Registration for Progression-Entry or Block Registration Courses Prohibited Until After Second-Year Registration**

A third-year student may not register for a Progression-Entry or Block Registration course before open admission at 1:20 p.m. on Monday, March 24<sup>th</sup>, 2025.

### **IV. Registration for Client-Contact Clinics: Lottery**

Registration for Carolina Health Advocacy Medicolegal Partnership Clinic, Criminal Practice Clinic, Domestic Violence Clinic, Education Rights Clinic, Low-Income Tax Clinic, Veterans Legal Clinic, and Youth Defender Clinic is through the Lottery for Client-Contact Clinics.

Note that the March 2025 Lottery is for Fall 2025 and Spring 2026 courses. If you wish to take a client-contact clinic in the Spring 2026 semester, you must have submitted your preferences during the lottery.

Note the following Limitations and Requirements for Clinical Course Enrollment

- A. Enrollment is limited to third-year students and second-year students in their second semester who have met the eligibility requirements. December graduates are eligible in the spring semester of their second year. To take a client-contact clinic, a student must be in good academic standing at the beginning of the semester in which the clinic is offered and have completed a professional responsibility course.
- B. A student may not enroll in more than one Client-Contact Clinic for the entire academic year.
- C. A student selected for a Client-Contact Clinic may not enroll in Interviewing, Counseling, and Negotiation in the same semester or future semesters, an externship during that same semester, or a Capstone Course during the same semester. Students who were enrolled in a clinic in the fall semester may enroll in a Capstone with special permission from the Associate Dean for Academic Affairs. Students who have taken Interviewing, Counseling, and Negotiations may enroll in a Client Contact Clinic, provided they are not in the same semester.
- D. A mandatory class meeting for all Fall 2025 client-contact clinic students will be held during the first week of classes.

- E. Once you have been assigned to a clinic, you must notify the clinic professor if you choose to drop it. If you are considering dropping a clinic, we highly encourage you to contact the clinical professor as soon as possible. This will allow for faster movement of the waitlist and help with general clinic administration.
- F. \* CHAMPS Clinic - An enrolled student must start participating in the security clearances early, or they will be removed from this Clinic.
- G. The prerequisites must be met before a student can enroll in a clinical course. The courses and respective prerequisites are listed below:
  - **Carolina Health Advocacy Medicolegal Partnership (CHAMPS):** Evidence and PPR
  - **Criminal Practice Clinic:** Evidence, Criminal Procedure, and PPR
  - **Domestic Violence Clinic:** Evidence and PPR
  - **Education Rights Clinic:** Evidence and PPR
  - **Low-Income Tax Clinic:** Evidence, Income Tax, and PPR
  - **Veterans Legal Clinic:** Evidence and PPR
  - **Youth Defender Clinic:** Evidence, Criminal Procedure, and PPR

## V. Registration for Capstone Courses: Lottery

Registration for Civil Litigation Capstone, Federal Criminal Practice Capstone, Real Estate Transactions Capstone, and Small Business Organization Capstone is through a lottery in March 2025.

Note the following Limitations and requirements for Capstone Enrollment:

- A. There will be no waiting lists for the Capstone Lottery courses. However, if there are seats available on the Capstone courses, students who participated in the lottery will have priority. A student who is enrolled in a client-contact clinic will not be eligible to participate in the capstone lottery.
- B. A student may not enroll in more than one Capstone Course.
- C. A student selected for a Capstone Course may not enroll in Interviewing, Counseling, and Negotiation during that same semester, an externship during that same semester, or a Client-Contact Clinic in the same semester. Students who were enrolled in a clinic in the fall semester may enroll in a Capstone with special permission from the Associate Dean for Academic Affairs if there are seats available.
- D. Enrollment is limited to third-year students. December graduates are eligible in the spring semester of their second year.
- E. All prerequisites must be met before a student may enroll in a capstone. The courses and respective prerequisites are listed below:

- **Civil Litigation Capstone (3 credit hours):** Evidence and PPR/PR. PPR can be taken as a co-requisite.
- **Federal Criminal Practice Capstone (3 credit hours):** Criminal Procedure, Evidence, and PPR/PR.
- **Real Estate Transactions Capstone (3 credit hours):** Real Estate Transactions I.
- **Small Business Organization Capstone 35 credit hours):** Business Associations.

## VI. Reading Groups

Reading Groups are intended to facilitate an intellectually rich academic experience through informal, in-depth discussions between faculty and students. Each Reading Group will be convened to explore a legal topic or theme through the study of appropriate readings, films, and other materials. Reading groups are intended to foster deeper conversations about legal issues than traditional classes permit, especially including conversations regarding sensitive or controversial legal issues between diverse groups of students.

Reading groups are one-credit-hour courses that must meet no less than 13 hours over the course of the fall and spring semesters. After successful completion of the course at the end of the spring semester, students will have earned one credit hour total, which will be applied to the fall semester, the semester the student enrolled in. An additional credit hour is not earned in the spring semester. Reading Groups must meet for at least 4 hours and may not meet for more than 9 hours in any one semester.

Class meetings will be scheduled by the convening faculty member and may be located at the law school or another professionally appropriate venue. Reading Groups are graded on a pass/fail basis. Students will be assessed based on their attendance, participation, and completion of written work that totals a minimum of five pages. The Attendance Policy applies to Reading Group meetings. Students are only allowed to participate in one reading group per academic year.

Enrollment is limited to 8 students (4 rising 3Ls and 4 rising 2Ls), and no hardship petitions will be granted.

Reading Groups for 2025-2026

- 
- Global Order: War, Conflict, Stability, and the Nobel Peace Prize (Former Governor David Beasley)
- In-House Counsel Practice (Mr. Charles Durant)
- Personal Finance Literacy for Young Lawyers (Professor Dan Brackmann)

## VII. Application Only Courses

An application is required to be considered for enrollment in Externships.

#### **Externships:**

Students participating in the externships will be placed with lawyers/judges outside of the Law School and should be able to spend 8-10 hours per week at the location of their placement. Participating students must also attend a regular classroom component of the program. **Students are limited to 2 externships.** Contact Stephanie Nye for information. Additional externships are offered in the spring semester.

### **VIII. Hardship Petitions**

Students who are not able to register for a course because it is closed may petition after 1:20 pm on Friday, March 21<sup>st</sup> for admission to the course because of hardship. Students seeking hardship admission must submit a written petition to the Law Registrar's office to be reviewed by the Associate Dean for Academic Affairs. The petition must show a reason the student would like to be admitted to the course in the Fall 2025 semester. Forms for the submission of hardship petitions are available in the office of the Law School Registrar and online at the Law School Registrar's website under [forms](#).

Factors considered when evaluating hardship petitions include:

- (a) Whether a second-year student seeks to register for a section of a Second Year-Progression Course other than the section for which the student has been preregistered;
- (b) Whether the student could take the course in a future semester; and
- (c) Whether the student seeks to take the same course but with a different professor.

Hardship petitions will usually be denied if the course has limited enrollment for pedagogical reasons or because of classroom seating limits.

Students are encouraged to submit hardship petitions by March 28<sup>th</sup> for priority consideration. The Associate Dean will aim to respond to hardships **before final exams**. Notice of the Associate Dean's decision will be e-mailed to the student. Students will have 48 hours (about 2 days) to adjust their schedule if needed to be enrolled in the approved course. Failure to comply within 48 hours (about 2 days) will result in the loss of opportunity. Note: No hardship petitions will be reviewed during the final examination period.

### **IX. Drop/Add**

Students may drop/add courses by SSC any time after the registration period **until Wednesday, August 27, 2025 subject to course meeting the entire semester**). After that date students may change their schedules only with permission of the Associate Dean for Academic Affairs.

### **X. Non-course Work: Supervised Legal Research, Moot Court and Mock Trials, and Editorial Positions**

#### A. *Supervised Legal Research*

Normally, Supervised Legal Research is awarded one or two credit hours, depending upon the extent of the writing project.

**To register for Supervised Legal Research, students must:**

- (1) Obtain a supervised legal research form from the Office of the Law School Registrar, suite 128.
- (2) Contact a faculty member in your area of interest, agree on a topic, and have the faculty member sign the form.
- (3) Leave the form with the Law Registrar, who will forward it to the Associate Dean for Academic Affairs for approval. If approved, the Registrar's Office will register you for this course. **You cannot register by SSC.**

#### B. *Moot Court & Mock Trial Competitions*

**To register for credit as a participant on one of the Law School Moot Court or Mock Trial competition teams, students must:**

- (1) Obtain a form for supervised extracurricular competition from the Law Registrar's Office, suite 128. Students may receive credit for moot court or mock trial work only if their work is reflected in a written product and meets the criteria set out by each organization.
- (2) Have the form signed by the faculty advisor for the competition and return the form to the Law Registrar's office. **You cannot register for supervised extracurricular competitions by SSC.**

**NOTE:** A student can receive degree credit only once for participating in an extracurricular competition or law review.

#### C. *Editorial Positions*

Students registering for Editorial Positions on the *South Carolina Law Review*, the *Real Property, Trust and Estate Law Journal*, the *Journal of Law and Education*, or the *Journal of International Law and Business* must complete the form available in the Registrar's Office. **Credit for Editorial Positions is normally awarded in the second semester of a student's third year.**

### XI. **Examination Date Conflicts; Overlapping Course Times**

Courses that meet at the same time are given the same examination date to prevent examination conflicts. Because the number of scheduling blocks exceeds the number of examination dates, it is possible that you may want to register for two courses that have the same examination date. Inform the Associate Dean for Academic Affairs at the beginning of the semester if you have such a conflict. We will arrange for an alternative examination date for one of the courses. **However, Law School Rules preclude the Associate Dean from postponing an examination on the grounds that a**

**student has several examinations in sequence.** See Law Student Handbook. The Handbook is available online at [www.law.sc.edu/registrar/downloads/handbook.pdf](http://www.law.sc.edu/registrar/downloads/handbook.pdf).

A student may not enroll in courses that have any overlap in meeting times. It is your responsibility to ensure that meeting times do not overlap. A student who registers for courses in violation of this rule may be dropped from one or both of the courses.

## **XII. Audits, Pass/Fail Credit, Non-Law Courses**

A student wishing to audit a course may only do so with the approval of the Associate Dean for Academic Affairs, if there is room in the course after all students taking the course for credit have enrolled and subject to the following conditions. The course does not count toward the graduation or semester residency requirement, and the student must pay additional tuition if the total credit hours taken in the semester, including the audited course, exceeds 16 hours; and the student may not later take the course for credit. The deadline to register for a course as an audit is the end of drop/add.

**In addition to Introduction to the Legal Profession, a student may take a maximum of six credit hours during the upper-level years of their law school career on a pass/fail basis.** However, pass/fail credit is available only in those courses offered exclusively on a pass/fail basis or, with the instructor's consent, in Supervised Legal Research. A student wishing to take Supervised Legal Research on a pass/fail basis must obtain the instructor's consent on a form obtained from the Law Registrar. A paper generally cannot be changed from pass/fail to a letter grade, or vice versa, after the end of the University period for changing a pass/fail election, which is usually three weeks after the end of drop/add.

During their law school career, second and third-year students may take a maximum of two courses offered in other departments of the University for up to six hours of law school credit, with the prior permission of the Associate Dean for Academic Affairs. Only graduate (500-level and above) courses are acceptable. If a student enrolls in a course offered by another department, not for law school credit, the hours earned will not count towards the 12 credit hours required for residency.

NOTE: See the Law School's Web page at <http://www.law.sc.edu/registrar/> for course descriptions and advisement materials on the upper-level curriculum.

## **XIII. Variable Credit Courses**

Some courses are designed as variable credit courses. Typically, a student may elect to take the course for 2 credit hours or complete a more substantial writing assignment for 3 credit hours. It is the responsibility of students to make sure that they have registered properly for the desired number of hours before the deadline. **The number of credit hours will not be changed up or down after the end of the drop/add period.**
