## Printing FAQs

The commons computers can print to any of the 3 B&W printers and 1 color printer (located in the alcove).

Wireless printing (B&W) is available. Print from your laptop at <https://appeal.law.sc.edu>. Log in with your network username and password.

Students are provided with \$100.00 of free print credit at the beginning of each fall semester. B&W printing is 10 cents/page and color is 25 cents/page.

This print credit does not refill until the following fall semester (new academic year).

## The color printer

You can print to it from the commons computers. You cannot print to it from your own computer.

# USC Network ID

- Your network username is the first part of your student email address
  - [owensw@email.sc.edu](mailto:owensw@email.sc.edu)
- Network password: WiFi, email, school computers (expires)
- Different from your VIP ID
- Can be reset at my.sc.edu

## Exemplify

Several law school courses use Exemplify as a secure examination software.

There will be installation sessions later in the fall semester.

Exemplify supports Windows 10 and Mac OS 10.11 (and up).

# Odds & Ends
