

UNIVERSITY OF SOUTH CAROLINA  
SCHOOL OF LAW

LONDON MAYMESTER 2020

HOUSING APPLICATION FORM

I have completed and signed a Commitment Letter and Registration form for the School of Law 2020 London Maymester Program (the "Program") and have submitted it to the Law School Registrar, Ms. Romona Keith, together with my program fee of \$500 and proof of payment of the \$250 AIFS student services fee. Its terms apply to this application.

I hereby apply for housing in London arranged by the School of Law. I understand that the housing consists of shared, twin-bedded bedrooms in a suite with a fully furnished kitchen and a bathroom, a sample of which is viewable on the Program's website. I understand that the cost of the housing, for the duration of the Program, will be billed to me along with my tuition and fees for the Program. I understand that the cost is estimated to be \$1410, but may be more or less, depending on the \$/£ exchange rate at the time of payment and according to availability. Accommodations will be provided beginning on the night of Saturday, May 9, 2020, through and including the night of Thursday, May 28, 2020.

Attached, to secure my place, is my deposit of \$100, which I understand is non-refundable after **February 3, 2020**, unless the Program is cancelled by the School of Law. (Checks should be made payable to the University of South Carolina.) The balance of payment for housing will be charged on my tuition bill. I understand that my housing registration is not complete and no space is reserved for me until my deposit and this form have been received by the Law School Registrar.

I understand and agree that the lodging provider, Acorn of London Ltd, will hold me responsible for any damage caused within the flats beyond fair wear and tear, including damage by fire or other elements. I understand and agree that I will be held personally liable for any and all lodging related fees incurred by the School of Law due to my actions or inaction including, but not limited to, lost keys, property and lodgings damage beyond ordinary wear and tear, etc. I understand and agree that such fees, if incurred, will be charged on my tuition bill.

If I am particular about my roommate and/or suitemates I agree to make those arrangements myself with other participants in the Program and to notify Ms. Heather Beatty, Director of Student Affairs, of such arrangements.

**I agree that if I have reserved lodging through the School of Law, I will be obligated, even if I do not attend the Courses or participate in the Program, to pay the cost of the lodging unless the Law School Registrar receives written notice from me of my withdrawal from the Courses and Program by 5 p.m. on February 3, 2020.**

In making this application I have not relied on any oral or written representations other than printed materials given me by the Law School or appearing on the Law School web site.
